lineground community table

L70 / L71 / L72

Lineground community tables feature solid timber construction, mortise-and-tenon joinery, and mitered corners with matched seams/waterfall edges. There are 3 standard models. Stretcher location may be at floor or beneath top. Wire management and power/data options are available by request. The lineground bench is offered as a companion to this product. Custom sizes, configurations, and materials are available. Residential or contract use.
