

LANDMARK COLLECTION

PALINFRASCA — VINCENT VAN DUYSSEN 2022

The Palinfrasca Sofa, with its immediately recognisable iconic shape, pays tribute to the 1994 work by Luca Meda from which it takes its inspiration, interpreting the essence of teak not only in an unprecedented and contemporary way, but also in the most exhaustive representation of Molteni&C's savoir-faire and research into materials: a knowledge gained in the almost ninety years of the life of the company, founded in 1934. The themes that identify the Landmark Collection - the curved, enveloping lines of the solid teak frame and the macro-scale warp and weft pattern - remain in the armchair and, thanks to the more compact proportions, become even clearer and more expressive. The harmonious lines of the Landmark Collection can also be found in the pouffe, which boasts a solid teak frame enriched with a polyurethane cushion for maximum support and comfort.
