Anclaje al suelo. Anchorage to the ground

El anclaje va atornillado al suelo. Se recomienda realizarlo sobre un taco de hormigón, preferentemente tipo concreto, de medida 250x250x250 mm, como mínimo. Para otras opciones de anclajes, consultar con nuestro departamento técnico.

The anchors are screwed to the ground. We recommend doing this on a cement block, preferably concrete, of at least 250x250x250mm. For other anchoring options, please consult our technical department.
