

Molteni & C

ROUND D.154.5 ARMCHAIR — GIO PONTI 1954 / 2021

1—
2

More than 60 years after the original idea, Round (D.154.5) was reborn thanks to the Heritage Collection reissue project by Molteni&C, in collaboration with the Gio Ponti Archives. As with all the projects in the collection, the careful study of drawings, photos and period materials has made it possible to faithfully reproduce the armchair in every detail, bringing a forgotten masterpiece back to life.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
