Product Type Wall Sconce

A metal sheet, simple and precise folds, a light. Inspired by the gesture of the hand protecting a candle flame, the Mano Light collection is designed as abstract sketches whose proportions can be adapted to different scales. Standing Mano is one of the protagonists of the series, a two-meter luminous sculpture, with a distinctive design and planning, which gives off a warm and enveloping light. Table Mano is an elegant and refined table lamp, of contained dimensions, which diffuses a discreet and delicate glow. Designed by Umberto Bellardi Ricci, Mano Light is available in two finishes, both with a polished stainless steel base.
