

Hello!

Here is your Blubel kit

Attach your Blubel Mount

Close the mount around the handlebars and tighten with the screw and hex key provided. Rotate the ringer so you can easily ding the bell.

Fit the Blubel Device

To take out: rotate anti-clockwise until the device pops out of the bell mount.

Pair your Blubel Device

Charge your Blubel: peel back the cover from the USB port and plug in the cable. The device is fully charged when the charging light goes off.

Download the Blubel App from App Store or Google Play and follow the setup instructions to connect your device. For help setting up please go to <http://blubel.co/support> or email support@blubel.co. Blubel is striving to protect your personal information. You can read our Privacy Policy when setting up the App for the first time or at <http://blubel.co/privacy>.

Navigation Tips

Check out the App Tutorial for full instructions and features. Here is a quick guide:

Declarations

EU Regulatory Conformance

Hereby, Blubel Tech Ltd declares that the radio equipment type Blubel Cycling Navigation is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <http://blubel.co/downloads>.

E-Waste Disposal Declaration

E-waste refers to discarded electronics and electronic equipment (WEEE). Ensure that an authorized agency repairs devices when needed. Do not dismantle the device on your own. Always discard used electronic products, batteries and accessories at the end of their lifecycle; use an authorized collection point or collection center. Do not dispose of e-waste into garbage bins. Do not dispose of batteries into household waste. Improper disposal of waste may prevent natural resources from being reused. Some waste contains hazardous chemicals if not disposed properly and may also release greenhouse gases into the environment.
