

# YAYO

## FUSION Label Template Guide

The **BLUE GUIDE** Line is the trim or cut line, anything between the **BLUE** and **RED** line will not be on the final label.

The **RED GUIDE** line is the bleed line your artwork needs to run to this line.

The **GREEN GUIDE** line is the **SAFE** area anything inside this will be on your final label.

Your artwork must feature 'MADE BY YAYO' or 'YAYO PRESENTS' you can choose one of the options in the template or include it in your artwork.

## The Photoshop (.PSD) file

The layers in the photoshop template are labelled and set in a traffic light system, Red layers are locked **\*DO NOT DELETE or EDIT\*** these. Orange Layers are for you to **CHOOSE ONE** or the **OTHER**. And the Green layer is for **YOUR ARTWORK**.

The file dimension as are fixed at 300dpi (High res) and 95mm diameter **\*DO NOT CHANGE\*** this. It is the optimum size for us to be able to produce labels in all of our sizes for you. If you create your artwork at the largest size we can make it smaller with no loss of quality. If you make the artwork small we can't make it bigger.
