# Silicone Mat

INK71778

Ranger's Silicone Mat is a durable, heat resistant surface great for all craft and mixed media needs. The clear silicone is ideal for placing over a white surface to create an easy mixed media palette where wet medium could easily be mixed together, making colors easily visible. This Silicone Mat resists slipping on any surface, and the smooth finish prevents texture transfer from clay and mixed media projects. For wet, water-based mediums, wipe up with a damp paper towel, and for solvent-based mediums, apply necessary cleaner, and wipe with paper towel. For dried mediums, scrape off with Ranger Craft Scraper, then wipe excess clean with damp paper towel.

# Non Stick Craft Sheet

NSC20677

Reusable craft sheet that protects your work surface from many craft mediums and allows for easy cleanup - just peel or wipe off! Slick, non-porous, heat-resistant material. Measures 15" x 18".

## Heat It™ Craft Tool

## Rub It-Scrub It™ Pad

RUB09863

Our foam backed Rub It-Scrub It Pad is the quickest, easiest, and safest way to clean your rubber stamps, no matter how deeply etched. The scrubbing surface is tough enough to clean into every crevice, yet gentle on your rubber, while the foam backing provides a soft, non-skid cushion to work on when rubbing and to hold onto when scrubbing. Features two surfaces: the top (front surface shown) is a fine, non-skid cushion; the opposite side is coarse. Made of synthetics. Rinse with soap and water. Measures 6" x 6".

## Craft Scrubbie

INK63148

The Ranger Craft Scrubbie cleaning bar is the gentle but effective way to easily remove inks, paints, glues, and mediums from your hands. Used with liquid soap and water, the Craft Scrubbie makes quick clean up after a crafting session of inked-up, paint-stained or glue-covered hands.

## Clear Stamp Cleaner

INK23548

An acid-free, non-toxic cleaner developed for clear stamps – both acrylic and photopolymer. Clear Stamp Cleaner is a gentle yet effective cleanser that will not deteriorate or discolor clear polymer. It will remove both water-based and water-resistant ink from photo polymer stamps. Safe for use on rubber stamps, too.
