Ranger and Simon Hurley are pleased to introduce a new color palette of dye ink pads for the Simon Hurley create. brand. This assortment of 22 colors is perfect for creating blended backgrounds, stamping, and stenciling. Simon Hurley create. Dye Ink Pads measure 2.75"x 3.75" and each has a coordinating .5 oz re-inker.

Simon Hurley create. Lunar Paste is a creamy and colorful paste with a metallic shine. Apply through stencils with a palette knife for definition or apply a thin layer direct to surface for a metallic paint-like finish. Coordinates with the full Simon Hurley create. color palette. Available in 2 fl. oz. jars.

#### **Solar Pastes**

#### See Chart for Available Color Selection\*

Simon Hurley create. Solar Paste is a creamy, white paste with a metallic color shift when it hits the light. Color can be subtle on white cardstock, but reveals an intense color when applied to black. Tint Solar Paste with Simon Hurley create. Re-inkers to create colored pastes! You can tint it the same color as the shine or use different colors so the color changes when tilted toward the light. Apply through a stencil with a pallet knife for definition of apply a thin layer direct to surface for a metalic, paint-like finish. Available in 2 lf oz jar.

#### Simon Hurley create. Stamps

Simon Hurley create. Photopolymer Stamps are high quality, made in the USA clear stamps. These clear stamps will allow you to stamp the perfect image each time. Featuring artwork by Ranger Signature Designer, Simon Hurley, these stamps feature clever and quirky characters, animals and a variety of sentiments perfect for handmade cards of all occasions. Use with Simon Hurley create. Dye Inks. Available in twenty-two designs, each stamp set measures 6" x 9".
