# MINI ARCHIVAL INK PAD KITS

Introducing the addition of Mini Archival Ink Pads! Ranger has taken the same high quality, fade resistant dye ink formula used in the full size Archival Ink Pads and has put it in a convenient mini ink pad. Archival Inks provide long lasting stamping results that are permanent on many surfaces. Get a crisp image that doesn't bleed over water based inks, markers, acrylic paint, water colors, and more. The small size makes these convenient for projects on the go! Perfect to use with the Mini Ink Blending Tool.
