INTRODUCTION

Adelanto Grand Prix and Supreme Suspensions (referred to as AGP/SS hereinafter) are the promoters of these events.

Rules and/or regulations set forth herein are designed to establish minimum acceptable requirements and to provide for the orderly conduct of racing events.

Effective January 1, 2021 these rules and regulations will govern all AGP/SS events. All AGP/SS participants and racers willingly participating in these events are deemed to have read and agree to comply with these rules and regulations.

No express or implied warranty of safety shall result from publication of or compliance with these rules and/or regulations. These rules and/or regulations are in no way a guarantee against injury or death to participants, spectators, or any person or persons. They are intended as guide for the conduct of the sport only.

GENERAL RULES AND DEFINITIONS

- 1: Off-road racing is a hazardous sport, and with participation being voluntary, no entrant, pit crew member or vehicle sponsor shall have any claim for damages, expenses, lawsuits or otherwise against promoter, track operator, AGP/SS, its officers, agents or directors arising from damage to any vehicle, personal injury or death, monetary loss of any kind whatsoever. Entrants, pit crew members or vehicle sponsors who voluntarily participate in any racing activities conduct under these rules waive any claim they may have against promoter, track operator, AGP/SS, its officers, agents or directors.
- 2: The promoter or track operator may run any type of approved AGP/SS event.
- 3: The director shall have the authority to penalize, disqualify and/or suspend any entrant or crewmember for the violation of these rules including special rulings.
- 4: AGP/SS may issue special rulings to account for conditions presented by the location of the race, the condition of the course or any other circumstance.
- 5: Supplementary regulations may be issued for each event as necessary to amend, suspend or modify existing rules and regulations.
- 6: AGP/SS assumes no responsibility whatsoever for delays, postponements and/or cancellations of all or part of an event because of inclement weather, unsafe course conditions and/or any other reason.
- 7: AGP/SS members are not employees of AGP/SS. AGP/SS members assume all responsibility for all charges; premiums and taxes payable on any funds they may receive as a result of their participation in any AGP/SS sponsored event(s).
- 8: AGP/SS reserves the right to refuse and/or deny any entry application.
- 9: By racing with AGP/SS or participating in any AGP/SS events, races or as a spectator inside the boundaries of said events, you agree and assign permissions to use and publish, in any media now or hereafter known, your name, likeness and voice as captured at any AGP/SS event, for purposes of promotion, art and commerce and furthermore

acknowledge that my email/postal information will be used for email/mail marketing purposes through AGP/SS contracted sponsors. You may opt out at any time in the future by contacting AGP/SS.

10: Displacement modifications are legal by boring and stroking a motor to increase displacement within the displacement guidelines per class. Boring down to decrease displacement is strictly prohibited.

11: No Driver is permitted to carry gasoline except for within the machine's fuel tank.

12: Safety equipment and machine eligibility are the sole responsibility of the Driver

13: SXS Driver must be 6 years old or older as of 1st day of the current event.

14: DNF Definition - Racer must start race and make one lap thru the scoring. Youth Classes that race a "youth mini course" and not the full adult course and the Youth SXS 250 classes will not receive a DNF so long as they compete one lap.

15: No paddle tires allowed.

16: AGP/SS reserves the right to uphold all policies and rules written or otherwise.

17: All AGP/SS Policies will be at the discretion of the promoter, whether written or not.

ENTRANTS AND RIDERS

1: Any entrant who fails to fully fill out and sign required entry forms, waivers and releases shall be disqualified and shall forfeit any prize money, points and contingencies won in that particular event. Entry forms, waivers and releases must be signed in person, in front of AGP/SS entry personnel. Identification may be required.

2: No entrant may enter racing areas until they have signed all releases and/or entry forms. No person shall sign the release or entry forms for

anyone other than himself or herself. Proper identification may be required (i.e., picture ID).

3: The entry applications of persons under the age of 18 must have a parent or legal guardian sign the release form. If a parent is sending their child with a legal guardian, they must use an AGP/SS minor release form.

Must be notarized to be valid. Minor release available online.

4: Any entrant who competes on a vehicle that he/she is not registered to ride or permits such action, shall forfeit any and all prize money, points and contingencies won in that particular event. Such action may result in vehicle disqualification.

5: Only entrants that are listed on official AGP/SS entry form may ride the vehicle for which they are registered. No entrant may ride any vehicle for which they are not registered.

6: AGP/SS reserves the right to change race vehicle numbers and/or background color designations.

7: The Driver must sign all entry forms, waivers and releases in person during the registration period to be eligible for points, contingencies, purse, etc. during that event. Identification may be required.

EVENT COURSE

1: A marked course is the official route designated by and marked with official AGP/SS markings. All vehicles must follow this route during the event. No vehicle may deviate from the marked course at any time. Passing is only permitted where there is no vegetation on the side of the course. Short coursing is not permitted and may result in a disqualification. Short coursing is defined as any deviation from the marked course resulting in either a time or position advantage. AGP/SS is not responsible for markings that are damaged or removed. All vehicles must proceed only in the correct direction of the course route or trail. Riding backwards on the race course at any time is prohibited. Riding backwards on the course is grounds for disqualification.

2: Course may include trails, footpaths, roads, hills, motocross tracks, or any type of terrain, which can be negotiated by a SXS. The course will

be open to inspection on Friday after the course is clear from practice and unclassified. Participants are permitted to walk or bicycle the course **only**. If a racer leaves the course for any reason, he/she must re-enter the course where he/she left, failure to do so may result in a disqualification. Racers must remain on the marked course. Any time double arrows are posted on both sides of the trail, racers must stay between the arrows. Markers may also include any device placed along the trail to help guide racers, including: ribbons, signs, stakes, hay bales, etc. If the original marking devices are knocked down, the driver must stay on the original marked course.

3: Riding backwards on the course may result in disqualification.

Scoring Chute:

1. When Applicable, there is no passing/touching in the scoring chute; unless directed by a AGP/SS official. Passing in the chute will result in disciplinary action up to and including disqualification. Destruction of the scoring chute will result in time penalty, monetary fine and or disqualification.

Pits:

ABSOLUTELY NO PIT RIDING - KIDS & ADULTS!!

You may ride your vehicle/ pit bike to and from the track at first gear IDLE ONLY for your race ONLY. Racer must wear a helmet AT ALL TIMES. Riders must register for the race before riding their machine anywhere.

ANYONE FOUND PLAY RIDING IN THE PITS WILL BE DISQUALIFIED WITHOUT A REFUND. NO EXCEPTIONS.

1: At all times, the Driver assumes responsibility for the actions of their pit crew members, support crews, and all others associated with their organization. All pitting must be done in the designated pit area. No racer is allowed to carry gasoline except inside his/her machine's gas tank.

2: No vehicle shall be towed, pushed, pulled or transported by a non-race entered vehicle on the official course while an event is still in progress. Another race entered vehicle or an official AGP/SS

vehicle may push, pull or tow the race-entered vehicle up to the nearest pit stop checkpoint. Only the vehicle occupant at the time of breakdown may push the vehicle through the finish line. No other person or persons will be permitted to assist in pushing, pulling or towing the vehicle. AGP/SS officials may assist the vehicle occupants if it is deemed necessary for the protection of the entrants.

3: Any pit support vehicle running on or near the racecourse will result in the entrant being disqualified. Any pit vehicle running backwards on the racecourse will cause race vehicle to be disqualified.

4: All pits must have the equivalent of a UL approved 5-lb. ABC fire extinguisher present at all times.

5: All young children and pets must be kept out of the pit area. Pets must be kept on a leash. All campfires must be kept out of immediate pit area. Campfires may not be permitted due to local federal and state regulations.

6: All entrants are responsible for cleaning the pit areas they use during the event.

7: "Hot Pits" for the pro main. A hot pit area may be established. Either a chalk line or a row of hay bales or both will define a safe zone for race vehicle servicing. The safe zone will be between the chalk line/hay bales and the recognized row of support vehicles/crew. Any full stop servicing or pit crew personnel beyond the safe zone during servicing will be penalized a minimum of a 2minute penalty and/or up to disqualification against the entrant being serviced.

8: Any pit crew members disregarding these rules will subject their Driver to disciplinary action up to and including disqualification.

9. PITS: If deemed necessary by race officials each racer will be give 3 pits pass bands at the time of registration. Only those 3 pit personnel displaying the proper wrist bands will be allowed in the pit area. No children or pets will be allowed.

10. No chase/pit vehicles will be allowed to remain in amateur pit area once race has started. You may use a chase/pit vehicle for drop off and pick up, but it must leave pit area upon race start.

PROTESTS

1: The director, with or without protest, has the right to suspend, or disqualify, any vehicle or entrant for violation of any rules or regulations.

2: Another entrant within the same event may make technical protests as the entrant being protested. A \$500.00 cash fee for single cylinder SXS and \$650.00 cash fee twin cylinder SXS, must accompany protests for each item protested. The protest must be in writing along with the fee and be delivered to the director no later than 30 minutes after event results are protested. The decision of the director will be final. Winner of protest will get 80% of the fee.

3: Any entrant who has an official protest lodged against his/her race vehicle must submit to an inspection of the protested items. Failure to submit to inspection will result in automatic disqualification and/or suspension. Those attending the inspection(s) will be as follows:

- A. The protester or their designated representative.
- B. The protested competitor or their designated representative.
- C. AGP/SS Officials.

4: A complaint filed for improper riding or conduct requires a \$25.00 cash fee. The complaint filed in writing with the director no later than 30 minutes after events results posted. A complaint may be verbally filed with any radio equipped AGP/SS official if entrant filing the complaint is broken down on the track. The official will notify the director of the protest.

5: Rider may appeal referee's decision to the Competition Committee. The Competition Committee will meet and rule on all appeals within 7 days. All competition committee decisions will be considered final.

A: Rider protests may be heard by the Competition committee at the referee's request.

B: Appeals will not be accepted related to matters for which no remedy is available. (For example: If the remedy would be to re-run an event.)

RULE INFRACTIONS / PENALTIES

1: The following legend of infraction penalties is a guideline used by AGP/SS in assessing penalties. These guidelines are not meant to infer that these are the only possible infractions or penalties that may be assessed against any entrant participating in an AGP/SS sponsored event.

A. Race vehicle traveling on the racecourse in the reverse direction of the race, at any time: disciplinary action up to and including disqualification.

B. Pit support vehicles traveling on the racecourse at any time: disciplinary action up to and including disqualification.

C. Abusive (verbal or physical) conduct toward a race official: Disqualification, suspension, five hundred dollar (\$500) fine or any combination of the three.

D. Short coursing: disciplinary action up to and including disqualification.

E. Unclassified practice is to be used at the racer's discretion; each racer must begin their designated unclassified practice on the starting line and NOT at any other location on the course. Each racer must complete unclassified and go through the scoring chute. Any violation of this rule and the racer will be disqualified from the weekend's events. Transponder must be on vehicle to participate in the unclassified practice sessions. Driver must be in full race gear for ALL practice sessions.

F. Passing in the scoring chute; unsafely or to gain an advantage: 2 positions. If there are other conditions that arise in the chute, (i.e. stopped, flipped, broken vehicle) a AGP/SS official may direct riders safely around without receiving a penalty.

- G. DSQ's may not be dropped.
- H. Repeated DSQ's for a machine cc infraction may result in permanent disqualification.
- I. Outside assistance is permitted in designated pit area or in the general parking lot **only**: Any assistance given in any other location can have disciplinary action up to and including disqualification.
- J. All riders must start on the same vehicle that they finish on, a rider may not change vehicle at any point during a race: Violation of this rule is a DSQ penalty.
- K. All Pro riders must race the same vehicle they are racing during parade lap. Rider is not permitted to switch vehicle after parade lap: Violation of this rule is a DSQ penalty.
- L. Drinking intoxicating beverages in designated pits, on the race course or in the surrounding areas by any person is strictly forbidden. The use of narcotics, (amphetamines or any other stimulants, barbiturates or other depressants) is forbidden. Any entrant or crew member in an event that shows evidence whatsoever of being under the influence of any of the aforementioned shall be subject to suspensions from all future AGP/SS sponsored events. Violator must leave the premises immediately at the direction of the race director.
- M. Any entrant who makes false statement on a contingency or entry form shall be disqualified and shall forfeit all prize money, points and all contingencies won in the race. Entrant may also be suspended from future events for a period of one year.
- N. Any entry application containing a falsified signature will cause entrant to be disqualified and shall forfeit all prize money, points and contingencies won in that event. Entrant may also be suspended from future events for a period of one year.

O. Any entrant disqualified from any event for a reason whatsoever forfeits any and all rights to prize money, points and contingencies Entrant will not be entitled to a refund of all or any portion of his/her entry fee(s).

P. Any entrant, respective pit crews or support crews seen or reported traveling on the course in other than race-registered vehicles participating in the event before the end of the official race time limit may subject entrant to penalties of disqualification and/or suspension.

Q. There is no outside assistance permitted on the course or near the course during the event except for those AGP/SS designated areas for pits and/or gas stops. AGP/SS retains the right to assess each situation and respond accordingly. (Situations involving safety are at the discretion of the race director.)

R. Any race entrant or their support personnel who subject any AGP/SS official, other race entrants or their support personnel to verbal threats and/or physical abuse will be brought before the director. The director will make the decision of disqualification and/or suspension of the rider and the offending support personnel for said offenses. Acts of physical abuse may be reported to the proper authorities and may lead to legal action.

S. Deliberate vehicle contact will result in penalty, disqualification and/or suspension at the direction of the director.

T. Racing in a class with higher displacement than the legal limit for said class will be penalized. Penalties may include disqualification.

U. If a racer is DSQed for a displacement violation, future race entries for a period of 1 year will require a detailed mechanical inspection and displacement test, during tech inspection, at the expense of the racer.

V. DSQ's are non-droppable.

W. In the event a vehicle breaks down on the course the following options are approved. Any deviation from these options may result in entrant being disqualified.

A) Rider who is with vehicle at time of breakdown may walk to and from the nearest official AGP/SS designated pit stop only, (General Parking is an extension of the pits as it pertains to this rule) in order to retrieve equipment or parts necessary to repair vehicle. Anyone other than the vehicle occupant that delivers equipment or parts will subject that vehicle to disqualification.

B) Another race entered vehicle may pick up equipment or parts (GAS NOT ALLOWED) at the AGP/SS designated pit stop (General Parking is an extension of the pits as it pertains to this rule), and then deliver that equipment or parts to the broken-down vehicle. The race vehicle picking up the equipment or parts must travel in the proper direction on the course. Traveling backwards on the course will subject both entrants to disqualification. Any pit support vehicle or other than race entered vehicles delivering parts to a broken-down vehicle will subject entrant to disqualification.

C) If vehicle is towed off course by a AGP/SS official and called out "Mechanical", the race is officially over and racer may not go back on course. If a racer goes back on course after being towed off and called out mechanical, laps done after being towed off track will be taken away.

TECHNICAL INSPECTION

1: IT IS THE ENTRANTS', RIDERS', OWNERS' AND SPONSORS' FULL RESONSIBILITY TO MEET ALL AGP/SS RULES AND REGULATIONS.

2: Entrants must make all reasonable effort to arrive at staging a minimum of 30 minutes prior to start of race.

3: AGP/SS reserves the right to subject any vehicle to a technical inspection at the direction of the technical inspector or race

director. In the event of a mechanical inspection, the rider will be responsible for removing or repairing the requested items to be inspected as directed. Failure to comply will result in disqualification of entrant and vehicle and may result in suspension from future AGP/SS sponsored events.

4: It is the sole responsibility of the racer to have their race vehicle undergo technical inspection during the posted designated tech times. Failure to do so may result in an extra tech fee to be paid in cash. Non-compliance will result in an ineligibility to race. All tech times will be posted on race weekend schedule and at event registration trailer.

1. All vehicles must pass technical inspection prior to going to starting line. Failure to do so will result in loss of gate pick, or eligibility to participate in event and racer will not be eligible for a refund.
2. Once a vehicle goes thru technical inspection it is treated as if it has already raced.
3. Failing technical inspection for displacement or the stock class definition will result in DSQ. The DSQ is for all races prior to that date for the current racing season. Furthermore, all race pro purses/contingencies paid at the DSQ'd events to said violator must be paid back to AGP/SS within 10 days.

5: Each vehicle must pass a technical inspection prior to their race. Each vehicle may be subject to a technical inspection prior to race starting or after race has completed, even if vehicle has already passed tech.

6: The racer who is entered and the registered race vehicle must be present during technical inspection. If racer is a minor, the parent or legal guardian must be present with racer during technical inspection.

7. Consecutive events of non-compliance will result in a penalty doubling with each event, if violation is not corrected racer is subject to DSQ until violation is corrected and passes tech.

COMPETITION

The regulations herein apply to all classes unless otherwise noted in supplementary or specific class regulations. Modifications or optional equipment is not permitted unless the class requirements or safety regulations specifically state that it will be permitted. AGP/SS's intent when prescribing specifications for safety equipment for vehicles that will compete under AGP/SS rules is to provide reasonable protection to all entrants, pit crews, officials and spectators. AGP/SS encourages all entrants to give full attention to safety requirements. Entrants must wear approved helmet, protective clothing, eye protection and safety equipment when operating a vehicle on the race course at any time, including unclassified practice.

STAGING PROCEDURES

1. Pro classes will be staged based on qualifying time. This qualifying time will take place during a timed qualifying session, when applicable. Failure to appear at scheduled staging time will mean driver is bumped back to next available slot.
2. All amateur SXS classes will be staged per the race official's recommendation, dependent on race conditions, location, number of entrants, and race schedules.

Roll Over Procedure / Recover and Assist / Safety Zone:

1. If a vehicle is flipped, it is as the discretion of the driver to remove his or herself from the vehicle and assist AGP/SS official in rolling the vehicle over. If a driver does not exit the vehicle there will not be a penalty assessed. Any variance to this will be discussed at the drivers meeting.
2. During any process where AGP/SS staff are on the race course to recover or assist another race vehicle the 100 feet before and 50 feet after are considered a safe zone. The max speed in this area is 5mph. Racers cannot gain on or improve position on other racers in this same area. Any violation of this safety zone will mean automatic penalty and or disqualification of the racer.

3. If race vehicle needs to be towed, it is the racers responsibility to make sure tow hook is in place and in working condition. During a tow or assistance, AGP/SS is not responsible for any damage to vehicle. If you are towed off the track, your race is finished and you are unable to return to the race course.
4. Racer may refuse AGP/SS assistance in towing or flipping vehicle if vehicle is located safely off the race course and is not in the way to affect current race. If racer refuses AGP/SS assistance racer must exit vehicle and track in a safe manner and leave vehicle until event is completed and course is cleared, racer may then recover their vehicle.

RIDER'S MEETINGS AND OTHER SPECIALTY RULES

1. All SXS Racers must attend and sign in at the mandatory drivers meeting on the specified day, at posted scheduled times at registration location. Failure to attend will mean loss of staging position. If unable to attend, it is the responsibility of the racer to seek the race director and review what was discussed in meeting. Failure to do so may result in penalty.
2. All special assist drivers (e.g. paraplegic, deaf, etc.) should obtain from AGP/SS a radio to communicate with if they have an issue and medical sticker to be placed on both sides of the front roll cage; so that any AGP/SS and or track staff can better assist the driver.
3. Under age drivers: Age waivers may be given at the discretion of the Race Director for up to 2 years from the minimum age requirements. These same waivers can be withdrawn by the Race Director at any time it be deemed necessary. Racer must present birth certificate as proof of date of birth at the time of age waiver request. There will be no waivers granted for any Pro based classes. All drivers who are waived in must have the letter "W" on their vehicle next to the race number as to easily identify an underage driver on the course.

VECHILE REQUIREMENTS, SAFTEY, AND SUPPLEMENTARY RULES.

These rules will apply to ALL SXS classes unless stated otherwise.

Race Vehicle Numbers

All vehicles in competition must be identified with the correct class background color and correct vehicle numbers and be displayed in the proper locations as described herein.

NOTE: Racing with incorrect background color or incorrect numbers will result in a penalty and/or up to disqualification. (Background color reference chart located under [Race Classes.](#))

NOTE: AGP/SS assumes no responsibility for scoring vehicles with unrecognizable numbers. It is the racer's responsibility to have proper class colored backgrounds and numbers and for keeping numbers recognizable.

All backgrounds must be solid color no outlines or fading. No other colors besides specified for the class may be used on number plates.

Note: Only temporary numbers issued at AGP/SS registration may be of a different size or color.

- Blue = Pantone DS 192-1C
- Yellow = Pantone Process yellow C
- Red = Pantone Red 032
- Black
- White

Race Numbers: will be a minimum of eight (8) inches tall with the specific color designation for the class. Number shall be readable from sides and rear facing of each car. Minimum four (4) inch number facing the front of the car above driver's front window. Extra-large roof top panel numbers are beneficial. Side Door Numbers are NOT allowed. The vehicle MUST have side "fin" numbers. (Behind the roll cage just above the rear fenders on both sides.)

Personal Safety Gear Requirements:

Full personal safety gear must be worn to include:

1. Fire retardant suits must be worn that cover from neck to ankles.
2. Helmets, gloves, goggles and racing shoes or boots.
3. Certified head restraint system certified by SFI or FIA should be used for all classes. AGP/SS Recommends the HANS system, but a donut roll will also be accepted.
4. Personal safety gear **MUST** be worn during practice and/or unclassifieds. No exceptions.

Motorcycle type race gear will **NOT** be allowed as it is extremely flammable.

Fire Extinguishers:

2. All vehicles must have a fire extinguisher and or automatic fire extinguishing systems with two nozzles one facing the driver and one facing the engine. Must be readily accessible to the driver. Must be mounted with a quick release type mechanism.

Required Vehicle Components:

1. Lockable side protection doors must be mounted in a way as to not be able to pop open during racing. Factory doors with secondary locking mechanism are approved.
2. Driver & Passenger side nets or hand restraints are required.
3. All RS1 vehicles are required to have nerf bars and window nets on both side to race.
4. 2" wide, 5 (five) point restraint system for both driver and occupant are required. The 5 (five) point system must include an antisubmarine belt that is at least 2" wide.
5. Aftermarket well-built roll cages made for racing are recommended. No factory stock roll cages will be allowed. Factory cages will only be allowed if modified/reinforced and tied into rear bumper/frame at two points. Gusseting of the factory cage is highly encouraged.
6. Metal roof panels are required.
7. All SXS must have full body plastics on vehicle.
8. All SXS must have front and rear fixed loop (minimum 2 inch) towing access points. Bumpers may be acceptable per inspection assessment.

Additional / Supplementary Rules

1. All factory suspension a-arm, trailing arm pivot points must remain in stock location.
2. Superchargers AND Turbos are ONLY allowed in the SXS Pro Production and SXS Production 1000 Turbo and Women's Class.
3. Nitrous or any other pressurization/injection type system will not be allowed in any class.

ABILITY CLASSIFICATION

CLASS	DESCRIPTION
PRO	<p>SUPREME SXS PRO</p> <ol style="list-style-type: none">1. Prior to first Pro race, Driver must receive permission from AGP/SS to race the Pro class. Racer must contact AGP/SS requesting to race in a Pro class. Racer must provide reason(s) as to why they are qualified to race Pro, and list all previous racing experience in the SXS discipline and any title or championships earned. It will be at the discretion of race director to grant or deny pro approval.2. Driver must be at least 16 on race day.3. Driver must be a known Pro racing in a nationally recognized off-road series.4. Driver may be moved out of Pro Class if deemed a hazard and or not racing at Pro level.5. AGP/SS always reserves the right to re-classify riders as they see fit in the interest of safety.

AMATEUR / YOUTH	<p style="text-align: center;">AMATEUR/YOUTH LEVEL RACERS</p> <ol style="list-style-type: none"> 1. "Amateur" Racers must not have raced a Pro class in a like discipline or comparable series within the last two years to be eligible to ride the "A" skill level. Unless permission is given from the AGP/SS official. 2. If AGP/SS official determines racer is above amateur skill level racer will be bumped automatically. 3. Contingency payback does not make a class "PRO". 4. "Youth" Racers must meet the appropriate age requirements for desired youth class.
--------------------	--

YOUTH 1000 STOCK	<ol style="list-style-type: none"> 1. Must be minimum of 12 years old and maximum of 15 years old. 2. No underage waiver will be given for this class. 3. Racer must have raced in either AGP/SS Sportsman class for 3 rounds or raced for one full year in a AGP/SS youth class or in a comparable series. 4. If racer has never raced in a SXS before, racer will not be permitted to race in this class. 5. A parent or legal guardian will need to sign annual additional class waiver. Failure to sign waiver will result in a DSQ of racer. 6. If AGP/SS official determines racer is not capable of driving in this class at any time during event or season AGP/SS has the right to remove racer from the class.
------------------	--

COMPARABLE SERIES	<p>Examples of a comparable series are:</p> <ol style="list-style-type: none"> 1. LUCAS OIL 2. MINT 400 3. UTV WORLD CHAMPIONSHIPS 4. QUAD CROSS NORTH WEST 5. AZOP 6. DIRT SERIES <p>The following race or series are excluded from above:</p> <ol style="list-style-type: none"> 1. SCORE 2. Any team race 3. Any non-comparable discipline or like series. 4. MRAN 5. BITD
-------------------	--

If a Driver believes he/she is not capable of competing as a higher class racer, he/she may appeal (once per season) to the Competition Committee. Each case will be considered on an individual basis by the Competition Committee. The Committee will notify the Driver of any change in classification.

Drivers who move forward or back a class without permission will be subject to suspension or other disciplinary action.

The Competition Committee reserves the right to move any driver who is unable or deemed to be a hazard to other riders in the class, or incapable of competing at that level.

SOUND REQUIREMENT

All Pro entrants may be required to meet the MIC standard of 96db prior to competing in the event. All amateur entrants will meet 98db. Sound testing will be conducted at the tech inspection booth. All entrants into the pro main event will be required to pass both prior to and after the pro main event. A 2% difference in sound level after the event will be acceptable.

RADIO COMMUNICATIONS

Radio communications are authorized.

Radios for SXS are as follows:

All cars 570cc and up are required to have a "Listen only Radio" in their car. Radios must be on Channel 14; frequency 464.6375 NHZ with a 365 DCS.

SXS SPECIFIC CLASS RULES

The SXS rules are designed to keep racing low cost and ensure that what is raced on Sunday can be purchased on Monday at your local dealer.

PRO CLASSES

SXS Pro 1000 NA / Turbo: All stock suspension mounting points must remain in the stock/OEM location and the stock center cases must remain for the engine. All other changes are allowed. Must meet all vehicle requirements and safety requirements found on pages 20-22.

AMATEUR CLASSES

SXS 1000 Production NA / Turbo, Women's 1000 Production NA / Turbo, 900 Production: All stock suspension mounting points must remain in the stock/OEM location and the stock center cases must remain for the engine. All other changes are allowed. Must meet all vehicle requirements and safety requirements found on pages 20-22.

YOUTH CLASSES

All of the SXS vehicle modification, safety modifications, safety gear and supplementary rules found on pages 20-22 will be the same for the youth racers as they are for the adults except for:

1. 2-inch seat belts will be allowed. Youth 1000 Stock will require, 2" wide, 5 (five) point restraint system for both driver and occupant are required. The 5 (five) point system must include an antisubmarine belt that is at least 2" wide
2. Certified head restraint system certified by SFI or FIA are recommended to be used for all 800 cc classes.
