Jasper Keys Death Crew Benefits

A Death Crew Member's role is to promote a company's image. Jasper Keys® wants you to create successful initiatives that promote our brand. In return for your work and support we will do everything in our power to promote and support you as our loyal street team!!

1. **Flexible Schedule.** As a side gig, the Jasper Keys Death Crew allows you the freedom of no set schedule. You can make money on your own time without worrying about being on time or missing work, because we don't need you to clock-in anywhere.

2. **Gain Valuable Experience.** The influencer experiences you gain from being a Street Team member can turn average to savage and lead to greater opportunities within the Jasper Keys brand. When you become a Death Crew Member, it means you are passionate about our company, mission, and the clothing you will be promoting. You are responsible for driving brand awareness, increasing the number of customers and engaging users on social media by doing you while wearing us.

3. **Exposure & Networking Opportunities.** At Jasper Keys, our Death Crew Program allows participants an opportunity to craft social media posts and take photos/videos for inclusion on social media platforms such as Instagram, Facebook and Twitter. This is not only a great opportunity to be noticed by different audiences but will also include our efforts to help you grow and promote you.

In addition to bolstering your influence and leadership in the adrenaline seeking community, your social and professional network will increase, and examples of your work can be used to show those still at the bottom how you got to the top.

4. **Awesome Perks.** Being a Death Crew Member can be fun and it gives you the opportunity to potentially earn extra money! There are a lot of benefits that go beyond just commission. We offer discounts on everything you buy in addition to commission on anything you helped to sell. Plus, the more you sell, the higher your discount rises. Jasper Keys® offers Death Crew Members an exclusive DISCOUNT on ALL products. We want you to pick what you want to wear.

5. Potential to Make Extra Money. At Jasper Keys, we also provide each Death Crew Member with the following:

- Unique discount code to share via social media (e.g., Instagram & Facebook) and through word of mouth. Unique code set up information will be sent in a welcome email once your application is approved.
- Death Crew members earn commission. Once you share your exclusive discount code; for every individual who uses that code at www.jasperkeys.com – you'll earn 5% percent of their total purchase amount before sales tax, for as long as you remain a Jasper Keys® Death Crew Member!
- The opportunity to have your pictures featured on our Jasper Keys® page, as well as our Instagram Features Page @keystomayhem, with links to your social media profiles.
- First quarter you will receive your 5% commission and a personal discount of 10%. After your first quarter your personal discount has the potential to increase to 15%, after which point your discount can rise 1% for every qualifying purchase made*, with the potential to reach a 25% discount! Changes to the discount amount in lieu of a higher commission can be discussed on a case by case basis.
