

# Instruction Manual

## ZeroLemon 4500mAh Battery Case for iPhone 6/6s/7/8

### User Manual

Thank you for purchasing our product. For optimal performance and safety, please read these instructions carefully before operating the product. Please keep this manual for future reference.

### Specifications

Capacity	4500mAh
Cell Type	Li-polymer battery
Input	DC 5V-1A
Output	DC 5V-1A
Dimensions	2.76*0.41*5.75 inches /70*11*146mm (L x W x H)
Weight	3.88ounces/110g

### Features

- Optimized for iPhone 6/6s/7/8, all charging ports and features are lined up well.
- Includes a protective IC circuit that efficiently prevents short circuits, over charging and malfunction (even under extreme conditions).
- Strong & durable material to protect your phone from bumps and scratches.

### Charging the Battery Case and your phone

- Connect your battery case (with your phone already installed) to the USB power cable provided.
- Connect the USB power cable to any USB power source (such as computer) to start charging.
- Charge your device until the LED indicators read full.

### Charging your phone with the Battery Case

- Press the power button (about 3s) to charge your phone in condition of no external USB power sources.
- Press the power button again (about 3s) to turn off the battery case when your phone is fully charged, which can significantly save the capacity of built-in battery so as to charge your phone next time.

### Charging Time

- Wall charger to battery case (without phone): about 5h
- Wall charger to battery case & phone: about 7.5h
- Battery case to phone: about 2.5h

### How to Test the Remaining Power

#### Charging Indicator Status

POWER	LED1#	LED2#	LED3#
60% ~ 100%	●	●	○/●
25% ~ 60%	●	○/●	○
0% ~ 25%	○	○	○

● – On, ○ – Blink, ○ – Off

#### Discharge Indicator Status

POWER	LED1#	LED2#	LED3#
60% ~ 100%	●	●	○/●
25% ~ 60%	●	●	○
10% ~ 25%	●	○	○
0% ~ 10%	○	○	○

● – On, ○ – Blink, ○ – Off

Notes: when you turn on the battery case to start charging your phone, the LEDs will turn itself off after 20s; you can short-press the power button to check the remaining power.

### Package Contents

- 1 x 4500mAh Power Pack
- 1 x User Manual
- 1 x Warranty Card

### Warning

- Read all instructions and warnings first before using this product. Improper use may result in product damage, excess heat, toxic fumes, fire or explosion. For such damages you (the Purchaser) and not the Manufacturer are responsible.
- Do not store this battery case in a high temperature environment, including in directly exposure to sunlight.
- Do not place battery case into a fire or other excessively hot environment.
- Be cautious of excessive drops, bumps, abrasions, or other impacts to this battery. If there is any damage to the battery such as dents, punctures, tears, deformities, or corrosion due to any cause, discontinue use, contact manufacturer or dispose of it in an appropriate manner at your local battery-recycling center.
- Do not disassemble this battery case or attempt to re-purpose or modify it in any manner.
- Do not expose this battery case to moisture or submerge it in liquid. Keep battery dry all the time.

- Do not attempt to charge battery case using any method, apparatus, or connection other than the device' s USB connector.
- Do not attempt to replace any part of this battery.
- If the battery case is intended by Purchaser to be used by a minor, purchasing adult agrees to provide detailed instructions and warnings to any minor first before using. Failure to do so is sole responsibility of purchaser, who agrees to indemnify manufacturer for any unintended use/misuse by minor.
- All battery cases have gone through a thorough quality assurance inspection. If you find your battery is excessively hot, emitting odor, deformed, abraded, cut or experiencing an abnormal phenomenon, stop using the battery immediately and contact Manufacturer. For extended storage, firstly charge your battery case for one hour.

- Never dispose the battery case in the garbage, which is unlawful under state and federal environment laws and regulations.
- Always take used batteries to your battery-recycling enter.

### Warranty

This product is covered by a warranty of 365 days from the date of purchase.

### Contact US
