- a) 10000mAh TriCell Battery to charge your phone
- b) ZeroShock Rugged Case for Note 4
- c) Protective Tab to prevent dust entering your phone
- d) PET Screen Protector
- e) Back cover for the original slim battery

## How to Install Phone into Rugged Case and Battery:

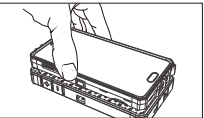

Step 1: Unclip the outer shell flap from inner shell

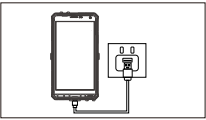

Step 2: Take out the outer shell from the edge of the case

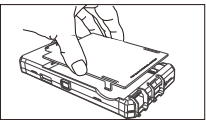

Step 3: Separate the inner shell from the outer shell

Step 16: Charge the phone by plugging the micro USB cable into the original phone charger for 12 hours. The phone can be turned on while charging.

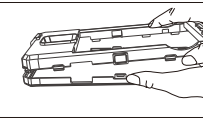

Step 17: To use the slim battery with this case, please use the included back cover to secure the battery to the back of the phone. Do not use the back cover when using the extended battery.

## Battery Maintenance:

- 1. Avoid heavy impact / pressure on the extended battery
- 2. Do not place the battery in extreme heat or cold
- 3. Do not throw the battery into fire
- 4. Charge the battery to 100% every 1 month for optimal conditioning
- 5. Use only original phone chargers and/or authorized ZeroLemon battery chargers to charge the extended battery
- 6. Do not disassemble as it can cause short circuit

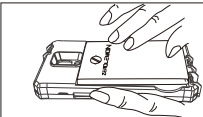

Step 12: Snap the hard plastic back onto the backside of the front plate.

Step 13: Insert battery into the phone by sliding battery into the compartment. Note: Please ensure that the copper connectors of the battery are aligned with the copper connector of the phone.

Step 14: Ensure the battery is parallel with the back of the case to ensure proper installation.

Step 15: Insert the phone and hard shell into the soft shell case.

- 7. Dispose of the battery immediately if it becomes deformed or bloated.
- 8. Do not submerge the battery into water
- 9. Keep the battery away from children
- 10. Dispose of the battery at a proper recycling facility if necessary.
- 11. Do not remove the label on the battery.

## Warranty:

Our product is covered by our 180 days Zero Lemon Guarantee Warranty. If at any time you encounter any issue with the battery pack, please contact us at [info@zerolemon.com](mailto:info@zerolemon.com) / [zerolemon@bastextllc.com](mailto:zerolemon@bastextllc.com) (for Amazon USA Bastex orders) with your Order ID and we will be more than happy to assist you.

## Return and Exchange Contact:

If your order is from Amazon USA / Amazon Canada / Ebay, please contact [zerolemon@bastextllc.com](mailto:zerolemon@bastextllc.com) with your Order ID. If your order is from another reseller, please contact the reseller directly for return and exchange.
