

Instruction Manual

ZeroLemon iPhone 15 Pro Max RuggedJuicer 10000mAh Battery Case

User Manual

Thank you for purchasing our product. For optimal performance and safety, please read these instructions carefully before operating the product. Please keep this manual for future reference.

Specifications

Battery Type	Lithium Polymer
Battery Capacity	10000mAh
Input	DC 5V~ 9V-1.8A
Output	DC 5V- 2.0A
Wireless Charge Input	DC 5V-1A
Weight	243.4g / 8.59 oz
Dimension	6.74 x 3.48 x 0.99 inches

Features

- Design for iPhone 15 Pro Max.
- Provide Extra Battery Life.
- Qi Wireless Charging Compatible.

Installation:

1. Insert the phone into the battery pack. Make sure the charging connector is connected securely with the phone.

2. Place the hard plastic frame in the battery pack. Make sure all features are lined up.

3. Insert the battery pack into the rugged TPU case from the bottom. Press properly on the top of the battery pack to secure the case.

4. Installation completed.

5. Hold the power button on the back of the case for three seconds to turn on the battery case and start charging.

Charging the battery case and your phone

- Connect your battery case (iPhone already installed) to the power cable.
- Connect the power cable to any power source to start charging. The battery case is programmed to let the iPhone charged first, then the battery case.
- Charge until the LED indicators indicate fully charged (all 4 LEDs are solid).

Charging your phone using the battery case

- Hold the power button for 3 seconds to turn on the battery case and start charging your phone. The phone will be charged continuously if you don't turn off the battery case.
- Hold the power button for 3 seconds to deactivate the battery case and stop charging.

Package Contents

- 1 x 10,000mAh Battery Case
- 1 x User Manual
- 1 x Warranty Card

Notes:

- Start charging before the phone is powered off

- To check the remaining power, hold the power button for 3 seconds.

POWER	LED1#	LED2#	LED3#	LED4#
75%~100%	●	●	●	◎/●
50%~75%	●	●	●	◎
25%~50%	●	●	◎	○
1%~25%	●	◎	○	○
0%	◎	○	○	○

●— On ◎—Blink ○— Off

Discharge Indicator Status

POWER	LED1#	LED2#	LED3#	LED4#
75%~100%	●	●	●	◎/●
50%~75%	●	●	●	◎
25%~50%	●	●	◎	○
1%~25%	●	◎	○	○
0%	◎	○	○	○

●— On ◎—Blink ○— Off

Warning

- Read all instructions and warnings first before using this product. Improper use may result in product damage, excess heat, toxic fumes, fire or explosion.
- For such damages you (the Purchaser) and not the Manufacturer are responsible.
- Do not store this battery case in a high temperature environment, including indirectly exposure to sunlight.
- Do not place battery case into a fire or other excessively hot environment.
- Be cautious of excessive drops, bumps, abrasions, or other impacts to this battery. If there is any damage to the battery such as dents, punctures, tears, deformities, or corrosion due to any cause, discontinue use, contact manufacturer or dispose of it in an appropriate manner at your local battery-recycling center.
- Do not disassemble the battery case and do not attempt to re-purpose or modify it in any manner.
- Do not expose this battery case to moisture or submerge it in liquid. Keep battery dry all the time.

- Do not attempt to charge battery case using any method, apparatus, or connection other than the device's USB-C connector and wireless chargers.
- Do not attempt to replace any part of this battery.
- If the battery case is intended by Purchaser to be used by a minor, purchasing adult agrees to provide detailed instructions and warnings to any minor first before using. Failure to do so is sole responsibility of purchaser, who agrees to indemnify manufacturer for any unintended use/misuse by minor.
- All battery cases have gone through a thorough quality assurance inspection.
- If you find your battery is excessively hot, emitting, odor, deformed, abraded, cut or experiencing an abnormal phenomenon, stop using the battery immediately and contact Manufacturer.
- For extended storage, firstly charge your battery case for one hour.
- Never dispose the battery case in the garbage, which is unlawful under state and federal environment laws and regulations.

- Always take used batteries to your battery-recycling center.

Warranty

This product is covered by a warranty of 365 days from the date of purchase.
