Warning

- Read all instructions and warnings first before using this product. Improper use may result in product damage, excess heat, toxic fumes, fire or explosion.
- Do not attempt to replace any part of this battery.
- If the battery case is intended by Purchaser to be used by a minor, purchasing adult agrees to provide detailed instructions and warnings to any minor first before using. Failure to do so is sole responsibility of purchaser, who agrees to indemnify manufacturer for any unintended use/misuse by minor.
- Do not store this battery case in a high temperature environment, including in directly exposure to sunlight.
- Do not place battery case into a fire or other excessively hot environment.
- Be cautious of excessive drops, bumps, abrasions, or other impacts to this battery. If there is any damage to the battery such as dents, punctures, tears, deformities, or corrosion due to any cause, discontinue use, contact manufacturer or dispose of it in an appropriate manner at your local battery-recycling center.
- Do not disassemble this battery case or attempt to re-purpose or modify it in any manner.
- Do not expose this battery case to moisture or submerge it in liquid. Keep battery dry all the time.
- Do not attempt to charge battery case using any method, apparatus, or connection other than the device's USB connector.
- Do not attempt to replace any part of this battery.
- All battery cases have gone through a thorough quality assurance inspection.
- If you find your battery is excessively hot, emitting, odor, deformed, abraded, cut or experiencing an abnormal phenomenon, stop using the battery immediately and contact Manufacturer.
- For extended storage, firstly charge your battery case for one hour.
- Never dispose the battery case in the garbage, which is unlawful under state and federal environment laws and regulations.

- Always take used batteries to your battery-recycling center.

Warranty

This product is covered by a warranty of 365 days from the date of purchase.
