TUTU PANTY SIZING

We only have them in regular sizing with two to three inches of ease built in since children's sizing is never really "Standard." However, they are easy to alter to slimmer sizes by simply taking two to four darts, evenly spaced in the panty.

US Size	Hip Circumference of Panty, inches	Notes
8	30	**Works for some size 10 children, especially those who wear Slim sizing
10	32	**Works for some size 12 children, especially those who wear Slim sizing
12	34	**Works for some size 14 children.
14	36	**Works for some size 16 children.
