

Welcome to Luna

Our Cellar Door and Restaurant is located on the Eclipse vineyard, one of our two special Martinborough vineyard sites.

Our Blue Rock vineyard (13km to the South) is home to more vines, our Winery, and a private function venue available for hire for groups of up to 100 guests.

Enjoy your time with us and if you'd like to learn more about Luna & our organically produced wines, head into the Cellar Door where our friendly staff will take you through a wine tasting.
