Dinners are freeze-able. Each day will feature different projects/recipes and topics covered include kitchen safety, reading recipes, measuring & more! Each day the campers will make and enjoy a snack and will bring home a dinner entrée and some fun sweet treats that they made to take home too. At the end of the session all recipes go home.

- Chicken or Veggie Quesadilla Ring (chicken or beans/veggies)
- Mexican Taco & Rice Bake (lean ground beef or veggie crumbles/beans)
- Plus sides, snacks and desserts which are a surprise until camp time!

Introducing a Baking Camp Option for 2 weeks in 2020! Ages 8-11.

We'll be mixing up a storm and each day the campers will get to sample their projects, make a snack plus bring home either fully baked items and/or the batters, doughs and more to bake or freeze until they are ready to bake them at home. Sample projects may include soft pretzels, whoopie pies, mini muffins, bar cookies and more! All recipes will be coming home. Two weeks of baking agendas-- different recipes each week! Up to 10 kids/session. **Note:** peanuts, tree nuts, gluten & dairy ingredients may be used in projects during the baking weeks. **No dinner entrees will be going home during the baking weeks.**

Raves from Parents of previous year Campers...

"I will be sending my kids to your camp every summer, so please never stop having such a wonderful program!! Not only do I get to NOT cook or shop for dinner this week (love it), but my daughter is having fun with her friends & learning to try and cook new foods. She is so proud of everything she brings home & even her picky brother is eating it!" Nicole Scherer, Berwyn

"Great camp! We were impressed with the variety and how delicious and nutritious the meals were." Christopher Walker, Phoenixville

Pricing: \$229/camper. \$10 off a sibling's (same family) registration for same session.

Value of the dinner entrees and food taken home is \$140-\$175/camper in 2020.

Appropriate Dress:

- Campers are not required to wear masks. If parents would like their child to wear a mask make sure the camper can put it on and remove it without help and is comfortable wearing it (i.e. doesn't fidget with it while wearing it). Please label it with camper's name.
- Campers should wear **closed toe shoes** such as sneakers.
- No open toe shoes, sandals, crocs or flip flops allowed.
- Campers will have aprons to wear while at camp, but stains from ingredients are possible so do not have campers wear special clothing.
- Long hair should be in a pony tail, bun or pulled back to reduce chance of hair getting into food.
- No spaghetti strap shirts, bathing suits, or skirts. Shorts/pants and t-shirts are encouraged.

Allergies:

HomeCooked is a facility that uses ingredients that contain peanuts, tree nuts, soy, dairy, gluten, corn, seafood and other allergens. If a camper has an allergy we will do everything we can to avoid the camper coming into contact with it, but cannot offer a 100% guarantee. Regrettably, we deter campers with gluten or dairy allergies from attending as projects often include ingredients with those allergens. We apologize for any inconvenience. During summer camp (cooking weeks) 2020 we will not use peanuts, tree nuts or seafood in our projects, but they may be found in our facility. Note- during the baking weeks peanuts, tree nuts, gluten and dairy will likely be used in projects so campers with allergies are regrettably discouraged from attending for their safety.

Photos/videos:

All photos/videos taken during camp remain the property of HomeCooked. They will be shared with campers (electronically) if desired, but may be used on HomeCooked's website, Facebook, Instagram or in future advertising or other materials.

Dinner Entrées (n/a for baking camp weeks):

Campers will be creating one ready-to-cook dinner entrée (serves 5) and dessert to bring home each night. These creations may not be fully cooked when they leave HomeCooked (containing raw ingredients) and will need to be refrigerated prior to final cooking at home. Please bring a cooler for transporting the meal if you will not be returning home immediately after camp. Entrée can be frozen and cooked at a later date if desired. Sides and sweets may not be able to be frozen.

Registration Fee:

\$229/student per session. \$10 off/a 2nd or 3rd child if a sibling registers for the same week. We accept MC/Visa/Discover/Amex.

Cancellation:

Should a registered camper not be able to attend the camp after the registration fee has been paid (and with more than 7 days prior to the start of the session) it will be returned in the form of a HomeCooked store credit. For cancellations within 7 days of the start of camp parents can make arrangements to pick up the food after the session has been completed (made by HomeCooked team member). There are no refunds or partial refunds.

Illness:

Campers are not permitted to attend camp if they are ill or have any cold symptoms or fever. Temperatures will be checked at drop-off each day and must be <100.4 to attend. Should a camper be unable to attend due to illness may pick up the food that will be made by a HomeCooked team member at a designated time (please call to arrange this). If we do not hear from the parent on the day the camper misses we will assume that the food is not wanted. There are no refunds.

Partial Sessions:

If a session has not filled to capacity within 1 week of the start date a partial session (only 1-2 days instead of 3) may be a possibility, contact the shop. \$79/day rate for any partial sessions.
