*Dentalia Referral Centre does not routinely report upon scans and radiographs. To comply with IRMER 2000 regulations and current HPA Guidance, all radiographs and scans are required to be reviewed and reported into the clinical notes by the referring practitioner or by a radiologist. We recommend that all CBCT and other radiographic examinations should be fully reported upon to rule out the possibility of coincidental pathology.*

*We offer a reporting service for an additional **£150** per CBCT scan or **£25** per 2D image. If you would like to use this service please tick this box*
