

Dentalia

Helping the community smile

A Great Smile is the First thing others Notice about You

A VERY

TO ALL OUR PATIENTS!

We hope you had a lovely Christmas and enjoyed welcoming in 2018. We would like to, as always, start the new year with last year's high points:

HIGHLIGHTS OF 2017

On-going wonderful feedback from our satisfied patients after Smile make-overs, Implant treatments by Xenia and Raman and partial or full dentures by our highly qualified dental technician Dave

Takeover of Dentalia by a dentist who is keenly interested in developing the practice to provide more services for our patients whilst keeping all the existing ones

BASING CARNIVAL

As part of our yearly tradition we set up early for an afternoon of fun, music, colourful costumes, marching band parading through the grounds and real community spirit. Our own tooth fairy was present

too, for complimentary face painting.

NEW WEBSITE & SOCIAL MEDIA PLATFORMS

We now have a brand new mobile friendly website with visible online patient feedback, easy contact form, our regular blogs and social medial links:

www.dentalia.co.uk

We can also be contacted via email, telephone as always...

And 'like', 'share' or see our offers, events on Facebook, Instagram, Pintrest, Twitter, Google+ and Linked in to keep upto date with dental news and developments at the practice.

NEW FACES at Dentalia

We would like to introduce you to two new members of our team: Dr Neha Khade- Dentist and Mr Anuj Soni -Podiatrist.

Neha is a UK qualified general dentist whose broad range of clinical skills include general dentistry, oral surgery, implants, sedation for anxious patients, facial wrinkle

reduction, fillers including non-surgical rhinoplasty, Invisalign for teeth alignment and cosmetic smile makeovers. Currently working on her Masters in Restorative Dentistry she is always striving to improve her skills to be able to provide the best care for her patients.

Anuj is a UK qualified general podiatrist with experience in the treatment of a variety of foot conditions. His care extends to the management of the diabetic foot, rheumatology, biomechanics, nail surgery and verrucae needling. He has also combined the medical and aesthetic aspect of podiatry to provide 'The medical pedicure'

OUR BRAND NEW IN-HOUSE SCANNER
2D/3D hybrid X-ray unit
Sirona Orthophos SL 3D

We are excited to introduce Chineham's only CBCT machine for use for our patients and as a referral service for other dental practices. 2D/3D scans are essential in treatment planning. Installed in December 2017 it is now set for use which will mean no additional patient travel for 2D,3D scans. Appointments can be booked during our opening hours-see below:

Mon: 9am - 6pm
 Tue: 9am - 5pm
 Wed: 9am - 5pm
 Thurs: 9am - 6pm
