

REDUCE REUSE RECYCLE

REDUCE

Be mindful of how much you consume and the resources being used

HOW TO REDUCE

- Use less water and energy
- Use public transport or walk
- Keep digital files instead of paper
- Avoid single use plastics

REUSE

Think about how an item can be used again instead of discarded

HOW TO REUSE

- Repair items
- Use items until the end of their life
- Buy second hand

RECYCLE

Put recyclable items in the correct recycling bin
