

PEGGY PORSCHEN®

LONDON

ALLERGEN & DIETARY GUIDE FOR ONLINE PARTY CAKES, LAYER CAKES, CUPCAKES & SEASONAL COLLECTIONS

We advise anyone with a food allergy to read our Dietary & Allergen Guide carefully before deciding whether to purchase.

Summer 2024

Products containing allergens

Every edible product containing one or more of the main 14 Allergens (as listed by the UK Food Standards Agency - www.food.gov.uk) featured on our website, includes a detailed list of allergens within its product description as well as in this Allergen & Dietary Guide. Any main allergens are written in CAPITAL letters for clear reference.

Cross contamination

Please be aware that all of our products are baked and prepared in our dedicated kitchen facilities, which also handle all the main allergens including CELERY, GLUTEN (wheat), CRUSTACEANS, EGG, FISH, MILK, MUSTARD, NUTS, PEANUTS, SESAME SEEDS, SOYA and SULPHUR DIOXIDE. Our online and in store products are all made, and/or handled, within the same kitchen facilities.

Our team takes all necessary steps to minimise the risk of cross-contamination within our products. However, please be aware that traces may occur due to our kitchen facilities being small and without 'exclusive' production areas for all of our different recipes.

Alcohol

Some of our recipes and/or decorations contain alcohol. If alcohol is being used in a product this is clearly noted in the online product description, on the packaging label (for example on cookie bags) and in this Allergen & Dietary Guide. Examples of alcohol usage in recipe and/or decorating include: liqueurs may be added to recipes for added flavour, or vodka may be used as a solvent to apply edible gold colour. Some of our iced cookies or cake decorations are sprayed with edible pearl lustre, which contains ethyl alcohol. When vodka or edible pearl lustre is used to apply metallic gold or shimmer to decorations, the amount of alcohol used is minimal and evaporates in the drying process. On special request, in some instances we may be able to remove the alcohol element in the decorations, however, please note this

may require a longer lead-time and could affect the look of the item for which details will be given at time of ordering.

Vegetarian / Vegan

Some of our products are not suitable for vegetarians, due to the gelatine or food colour that has been used within the ingredients. In these instances, we have clearly labelled 'Not suitable for vegetarians' within the online product description. In order to make an informed decision, we have labelled where an animal based product is used in our Dietary & Allergen Guide. We offer a small selection of vegan-friendly cakes online and, as well as a vegan-friendly afternoon tea, a small selection of cakes and savoury dishes at our Parlour locations.

Eat in or takeaway items at the parlours

For allergen and dietary information on our eat-in or takeaway items, please refer to our Parlour menus (which can also be found on the location pages on our website) and in-store counter signage. All dishes and drinks are clearly labelled with the relevant allergens. If you require more detailed information or have any concerns, please speak with the Parlour manager.

If you have any queries about the details provided in this guide or our products, please don't hesitate to contact our sales team on 020 7730 1316 or email hello@peggyporschen.com

PARTY CAKES

A tick indicates the allergen is PRESENT (also see note †). Please also refer to the allergens in Party Cake Fillings at top of page 3	Celery	Gluten (Wheat)	Crustaceans	Egg	Fish (gelatine)	Lupin	Milk	Molluscs	Mustard	Nuts	Peanuts	Sesame Seeds	Soya	Sulphur Dioxide	Alcohol	Vegetarian	Vegan-friendly
