CHELSEA

# Welcome to Peggy's Chelsea Rose Room

Opened in 2019, following the phenomenal success of its Belgravia sibling, **Peggy Porschen Chelsea** is an award-winning cake shop, afternoon tea parlour and restaurant loved by locals and visitors alike.

Marking the Parlour's first dedicated private hire event space, here guests can step off the illustrious King's Road and descend into a serene oasis that is the **Chelsea Rose Room**.

Conveniently located for both the iconic **Chelsea Old Town Hall** and **The Old Marylebone Town Hall**, the Chelsea Rose Room offers a dreamy space for any intimate wedding celebration.

From a picture of the happy couple under the Parlour's **famous floral arches** to a wedding cake designed by the legendary Peggy Porschen herself, this is a venue that marries attention-grabbing qualities with approachable finesse.

Following arrival drinks and nibbles, the **wedding party of up to 20 guests** can take a seat to enjoy a specially curated wedding brunch or seasonal afternoon tea menu.

Providing direct access to Peggy's **Pink Peony Bar**, an event bartender will enhance the experience with a range of champagnes, sparkling wines and welcome drink options. Teamed with a dedicated front-of-house coordinator, the happy couple and their invited guests will enjoy a **truly magical day to remember**.
