ADVANTAGES:

- Designed to **reduce accidents** and **save lives**, our Rumble Pad alert drivers of changing road conditions.
- Can significantly reduce the major causes of **work zone accidents** and **fatalities**: "Driving too fast for conditions, following too closely to the car ahead, and or making improper lane changes".
- Can **shake drivers from distractions**, whether it is manual - like tuning the radio, visual - like reading a billboard, or cognitive - like talking on the phone.
- Provide **sounds** that alert drivers when passing by.
- Made from **100% recycled rubber tires**.
