

## **Purnell Maker Program**

### **Join Our Purnell Maker Program!**

Here at Purnell, we believe in celebrating those who push the boundaries, challenge the status quo, and bring their unique creativity to every endeavor. That's why we created our Maker Program, an opportunity for people like you who thrive in hands-on, creative, design-oriented, and problem-solving professions to represent our outdoor lifestyle clothing brand.

### **Who We're Looking For:**

We're on the lookout for talented professionals who embody the spirit of creativity, innovation, and adventure. Whether you're an architect designing the cities of tomorrow, an engineer solving complex challenges, a creative artist pushing the limits of imagination, or a seasoned chef who creates masterful dishes, we want you on our team!

### **What We Offer:**

As a Purnell Maker, you'll receive access to our latest men's and women's outdoor clothing, where comfort and style meets functionality. Our apparel is designed to keep up with your dynamic lifestyle, helping to empower you in all your adventures or in your daily activities.

### **How It Works:**

In exchange for our apparel, we ask our Makers to visually promote our brand across their social media platforms. Share your adventures, showcase our products in action, and inspire your followers with your unique perspective. As part of our community of Makers, you also have the opportunity to be featured on our website.

### **Join Us Today:**

If this all sounds good to you, please let us know and we'll send over more details. Together, let's redefine what it means to explore, create, and inspire!
