Replacement

You

We really don't want you to go through the hassle of re-packaging your item and sending it back, because let's be honest...nobody has time for that.

Safety first, fun later.

We want your side table to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screw every 2 months.

For proper care and treatment of wood & metal please check our website at Nathanjames.com/products
