

Mould Exterminator

Mould remover & sanitiser for washrooms

The Actichem Responsibly Green Mould Exterminator is an innovative and powerful solution to removing mould and mildew in washrooms and changerooms/locker rooms. Mould Exterminator will quickly and effectively kill mould and remove

the staining left behind to leave the surface clean and germ free. Mould Exterminator can also be used as a high performance sanitiser for hard surfaces. Mould Exterminator provides premium performance in mould removal and sanitisation without the risk of damaging sensitive natural stone surfaces in bathrooms.

BENEFITS

- Kills mould and mildew fast.
- Fast and effective cleaning and sanitising power.
- Removes stains from hard surfaces.
- Safe on all hard surfaces in washrooms, laundries and kitchens.
- Environmentally friendly.
- Non-flammable.

DIRECTIONS for USE

Read and understand the Material Safety Data Sheet (MSDS) before use

Pre-test in an inconspicuous location before use.

Dilution & Application:

Safe for use on most hard surfaces, however always pretest sensitive substrates for chemical sensitivity. Pretest for colour loss before use on delicate fibres.

Ready to use. Do not dilute.

Do not mix with any other cleaning solution.

Special use notes:

Not suitable for use as a disinfectant for medical institutions.

Cleaning:

Pre-cleaning and prior removal of organic load will enhance results.

Apply Mould Remover using a sprayer or sponge.

Agitate & allow 60 seconds (minimum) dwell time. See PDS for more information.

Rinse surface using clean water.

Repeat process for areas of high organic load. Additional dwell time & agitation may be required for stubborn mould staining.

PRODUCT SPECIFICATIONS

Product code: AP617

Fragrance: Odourless

Colour: Clear, Water white

Packaging: 5Lt, 2.5Lt, 1Lt & 500ml
