

Work smarter with the **Mini-Split Cassette Bib[®] Kit** from SpeedClean[®]

Designed specifically for ductless ceiling cassette's, the Mini-Split Cassette Bib[™] Kit from SpeedClean is **the fastest and safest way to clean ductless ceiling cassette's**. It attaches to virtually any ductless ceiling cassette and allows you to use pressurized water on cassette's, safely and easily. The Mini-Split Cassette Bib Kit's patent pending technology keeps water

away from walls and other surroundings and delivers it into a 5 gallon bucket for proper disposal. Now you can properly **clean ceiling cassette's the way you want to**. And when the work is done, simply pack the kit back into the bucket it comes with and move onto your next job. **Now that's smart.**

Clean ceiling cassette units without having to remove them.

- Complete kit: Bib, mounting hooks and 5 gallon bucket.
- Fits ductless fan units up to 48" wide.
- Keeps walls and surroundings safe from water and cleaning chemicals.
- Quick to set up and easy to move from job-to-job.
- Includes 10' drain line for high mounts.
- Optional ground hoist mounting kit available.
