

# Rocky Mountain Goat Alliance Science and Conservation Funding Application Form

---

<b>Project Name:</b>	
<b>Project Location:</b> Include a map and UTM coordinates	
<b>Project Manager/ Project Lead and contact information</b>	E mail, mailing address, phone number
<b>Funds Requested from RMGA (USD):</b>	
<b>Is this a one-time or multiyear request?</b>	

*Please provide details of your budget request:*

Year	Expenditure item	Description	OTHER FUNDING SOURCE*	RMGA Amount requested (USD)
	<i>(e.g. collars, analysis, helicopter time, equipment, contractors, other)</i>	<i>Provide description/details of expenditure item</i>		
	<b>Total Project Funding</b>			

- *Include other sources of project funding (e.g. Pittman Robertson Act funds)*

*Include in-kind contribution (e.g. staff time, helicopter time, equipment use, volunteer time etc. )*

## INTRODUCTION

*Include goals of study, management issues, contributions to mountain goat science and how the proposed project aligns with the RMGA mandate.*

## PROJECT OBJECTIVES:

*How does the project relate to the RMGA Mission and Conservation Committee priorities?*

<https://goatalliance.org/pages/science-conservation>

## SCOPE/ SCALE OF STUDY:

*Outline how the project contributes to mountain goat science and conservation at the local, regional scales. Will the project be relevant across the range of mountain goats? Include maps delineating the study area.*

**METHODS:**

*Outline in detail, the specific methods that will be applied in the project. Are they novel or have they been used in the past? Include references as appropriate.*

**EXPECTED PROJECT OUTCOMES:**

*What will the project accomplish? How will the project benefit our understanding of mountain goat ecology and/or inform management?*

**PRODUCTS/ DELIVERABLES:**

*Will the project results be published in a scientific journal? Specify the journal and anticipated date of submission.*

*An annual report is required to be submitted to the RMGA by April 1<sup>st</sup> in Word format.*

*Photos (and video where available) are required to be submitted for all funded projects for use on the RMGA website and/ or RMGA FaceBook page.*

*All materials submitted will become the property of the RMGA.*

*\*\*\*Failure to achieve reporting requirements will preclude future eligibility for RMGA funding.\*\*\**

**LETTERS OF SUPPORT**

*Include any letters of support from government or conservation agencies. (LINK FOR UPLOADS)*

*List project contributors, others sponsors, participants, including details of their support (funding, staff time, volunteer support etc.).*
