

MELAG

2 year parts and labour warranty

On installation of a Melag Steriliser or Melatherm washer/ disinfecter you will have a 2 year parts and labour warranty providing the following conditions are met:

- The unit is installed by authorised Melag service agent.
- A 12 month service is performed by a Melag authorised service agent.

See our website for your area installer.

The warranty covers all parts and labour within two years of install if all conditions are met. A Melag Authorised service agent must be used for all warranty claims. Travel costs of the service agent are not included in the warranty. Loan units are not provided and associated costs are to be negotiated by the customer.
