TIN COATING: #0404-0335 Gold

ATTENTION:

REFER TO FITMENT GUIDE IN PRODUCT DOWNLOADS ON WEBSITE:

1. You will need to replace the stock 39mm lower alignment cups (Oil Lock Pieces), as the stock parts are **NOT** compatible with the CCE stanchion tubes flow kit. The replacement alignments cups are Harley-Davidson part #45361-90, and are sold as a set of 2 cups.
2. Check prior to installation that part fits in the tube flow kit as shown.
