Customize Your Bib

- Approved template designs allow for one added logo in the specified logo placement location. Logos that need additional preparation for printing may be subject to a \$15 clean up fee.
- Please select the 'custom design' option for layouts that include requests for multiple logos, tear off tags and any other modifications outside of the single added logo template layout.
- Requests that alter the layout from the approved templates will be sent to GOTR International for review and approval to ensure compliance with GOTR brand guidelines, which may lengthen the turn time for the order.
