20W LED Up Down Cylinder Light (CCT Selectable)

Features HTM-CYL20WTBKFA1

For a modern and contemporary look and feeling, look no further than HTM Lighting Solutions' 20W LED Up and Down Exterior Cylinder Wall Sconce Fixtures!

Providing 1,600 lumens, or the equivalent to 2x 60W Incandescent Light Bulbs, these sleek and elegant Vertical Light Column Wall Sconces are versatile and can provide outdoor accent or security lighting to any residential exterior, including Front Entryways. Pillar Lights, Pergolas, Outdoor Patio, Exterior Porch Light, and so much more!

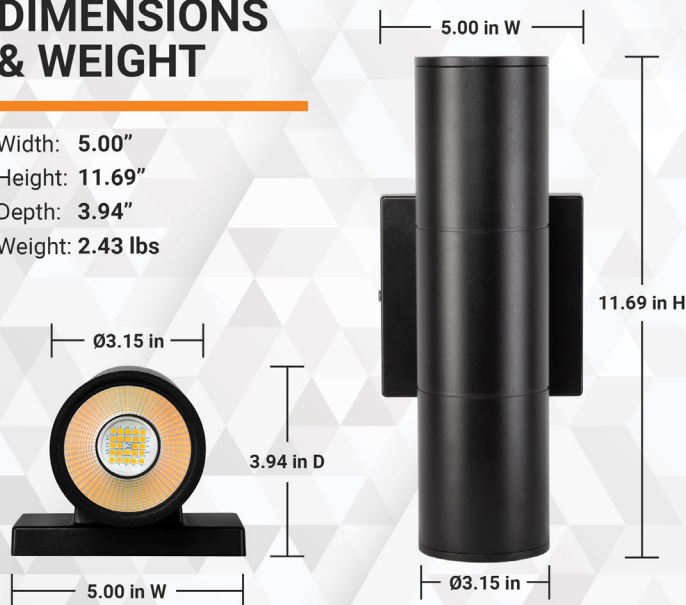

Changing the light color temperature is quick and easy with the flick of a single switch to change between 3000K Warm White for a warm and inviting glow, 4000K Cool White for bright and natural lighting, and 5000K Daylight White for a crisp and clean bright light!
