THE TABLE

All face and no legs, Brag is a (brilliant cut) diamond shaped table that appears to be balancing on its point.

MATERIALS & FINISHES

The Brag Collection is offered in a variety of custom materials, finishes (wood veneer, metal, etc.), cuts, and sizes. Concrete Corian® construction is the standard, but we offer a wide array of other possible Corian® colors. We are happy to work with clients to cater to site-specific aesthetics and functional needs.

SHIPPING & DELIVERY

All pieces are handmade in our studio in Brooklyn, NY and ship in custom crates to both domestic and international destinations.

White Glove service facilitated by RPR includes delivery to room of choice, unpacking, inspection, and debris removal at your convenience.

Lead time is 12-18 weeks. Expedited options available.
