MSR
Pocket Rocket Deluxe Stove
 The 2.9-ounce PocketRocket Deluxe Stove packs premium features in an ultralight, miniature package. The stove's push-start piezo spark igniter is protected inside the burner for maximum durability. A pressure regulator maintains the stove's fast boil times even in cold weather and with low fuel, while the broad burner improves wind resistance and offers simmer control for cooking versatility.
MSRP \$69.95.

SIERRA DESIGNS
Nitro Quilt
 Part blanket, part bag, the Nitro Quilt takes design cues from the brand's Nitro mummy and features 800Fill PFC-free DriDown insulation and 15d nylon ripstop fabric for ultralight weight and warmth. The oversized design includes insulated hand/arm pockets to seal out drafts, along with an integrated hideaway hood to keep things warm up top when the temperatures drop.
MSRP \$249.95- \$279.95.

KELTY
Cosmic
 This popular sleeping bag was completely redesigned for 2019. Its new 20D nylon taffeta shell is softer than the previous version and reduces the bag's weight by five ounces.

TINKLE BELLE
Female Accessory
 Yes, this is what you think it is. An accessory designed by outdoorswomen, the Tinkle Belle is a "stand to pee" device for women. It allows for discreetness in an outdoor environment where a traditional bathroom is not an option. It eliminates squatting and the need to disrobe. It is antimicrobial and anatomically shaped.
MSRP \$27.50.
