

Line Marking Paint 2.5L

An easy to apply and quick to dry line marking paint that dries to a matt finish, based on a chlorinated rubber resin.

Need to deter parking outside your garage and blocking you in? Want to highlight a trip hazard, such as the back steps? Wherever you need lines you need Line Marking Paint.

- + Easy to apply with brush or roller
- + Quick drying, even in the cold
- + Good for areas that get a lot of traffic
- + Can be applied to slightly damp areas
- + For external use (unless an internal area is very well ventilated)

Where

Private roads and driveways, schools, places of worship and sports facilities. All these places and more could use Line Marking Paint, particularly if vehicles are being parked there and proper parking bays are required.

You can also use this paint to highlight dangerous step edges as it is very hard wearing.

Prepare It

Surfaces should be clean, dry and free from any loose material. Grease or oil stains should be removed with Oil & Grease Remover.

Apply It

Apply Line Marking Paint with a roller or brush. Do not apply if the surface temperature is less than 0°C.

Dry It

Shower Proof – 60 minutes at 10°C.

Touch Dry – 40 minutes at 10°C. 90 minutes at 0°C.

Walk on Time – 4 hours at 10°C. 8 hours at 0°C.

These times will be shortened by higher temperatures and lengthened by lower temperatures.

Important...

Line Marking Paint contains Xylene and may soften some paints. If in doubt then test a small area first.

Cover It

2.5 litres will give you approximately 125 to 150 metres of lines at a line width of 50mm (6–7.5 m² per pack). One coat is usually sufficient, unless you are coating a particularly porous or textured surface, or if you are overcoating a darker colour.

Store It

The shelf life of Line Marking Paint, if unopened, is one year. Do not allow to freeze.

Disposal and Safety information

Please see the *Material Safety Data Sheet* at www.paintpeople.co.uk for safety information.

Availability
