ABOUT HI-LIGHT

At Hi-Light together with decades of lighting business experience over the past 25 years we have been supplying our retailers with high quality, fine craftman design Chandeliers / lighting products.

Over the past 15 years we have been supporting our retail acquaintances to brighten their customer's homes and business by creating illuminating solutions with character and style.

HI-LIGHT is committed to quality, fine design and craftsmanship of its products in line with Australian market expectation.

A visit to our website is a must for all retailers for better visualizing and selecting the product range for their customer taste.

Our aim is to provide our retailers with the best possible products for their targeted market at the most reasonable price.

Our crystal range is unique in Australian market due to unbeatable quality of the pure ASFOUR crystals selection combined with the highest quality of brass, chrome or gold plated frames manufactured specifically for HI LIGHT.

ASFOUR Crystals with 30% lead are positioned in top two best crystals ranking in the world due to its high standard colouring, cutting and design.

In support of our associated retail stores we have specifically designed our website to demonstrate the vast product range available. Our website is a great selling tool for our retailers.

We are proud to provide value for money for our customers by only using pure ASFOUR crystals.
