## Lady CarbonMax

### VB3000 Lady CarbonMax Composite

This one-piece 100% carbon fiber post is the popular choice for facilities that want a system exclusively for use at women's net height. With no net height adjustment to worry about, set up is quick and foolproof. 19# post installs in any 3" floor sockets.

Post material	3½" Carbon Fiber
Floor socket diameter	3" (Free Socket Adapters)
Non-winch post weight	19#
Winch post weight	24#
Approx. post deflection	1.25"
Post warranty	Lifetime Limited
Winch style	26:1 Worm Gear
Winch warranty	Lifetime Limited
Net height indicator	Women's Only
Net height adjustment method	Foot Pad Only
Adjustable foot	Yes
Free lettering on padding	Yes (see chart)

"Our volleyball coach loves Bison's Lady CarbonMax composite volleyball system. We've used this system for a few seasons now and are pleased with its trouble-free performance. The standards are very easy to set up, they're lightweight and dependable."

**Bill Clements** Activities Director, Dakota Valley High School North Sioux City, SD
