

Network Cable, Cat5e, UTP

100% Copper, RJ45 Male / RJ45 Male

Trusted connections for your network

Enjoy clear and secure data transmissions with the Intellinet Solutions Cat5e Patch Cable. This network cable enables a convenient and reliable connection from one network device, such as a switch, modem or router, to another or to the infrastructure at large through a patch panel, keystone jack or wall outlet. Designed to meet the appropriate TIA/EIA standards and suitable for use in 10/100/1000BASE-T networks, the Intellinet Solutions Cat5e Patch Cable also offers a rugged PVC sheath and molded strain relief to help reduce cable damage and assure full data transfer rates, error-free transmissions and maximum conductivity.

Network Cable, Cat5e, UTP

100% Copper, RJ45 Male / RJ45 Male

Features:

- Gold-plated contacts for best connection
- PVC cable jacket for flexibility and durability
- Snag-free boots protect RJ45 connectors
- 100% copper wire
- Lifetime warranty
- Available in the following colors:
 - Black
 - Blue
 - Gray
 - Green
 - Orange
 - Pink
 - Purple
 - Red
 - Yellow
 - White
- Available in lengths from 0.5 ft. to 100 ft.

Specifications:

- UTP, unshielded twisted-pair
- Certified to 350 MHz
- EIA/TIA approved
- 4 pair
- RJ45 Connectors
- Conductors:
 - 24AWG, 7*0.196 +/- 0.015 mm
 - Insulation Color Coding: White/Orange, Orange, White/Green, Blue, White/Blue, Green, White/Brown, Brown
- Cable jacket:
 - Material: PVC
 - Colors: Black, Blue, Gray, Green, Orange, Pink, Purple, Red, Yellow, White
- Cable assembly:
 - Wiring: T568B pinout
 - Contact plug: RJ45 8P8C
- Length: +/- 3%

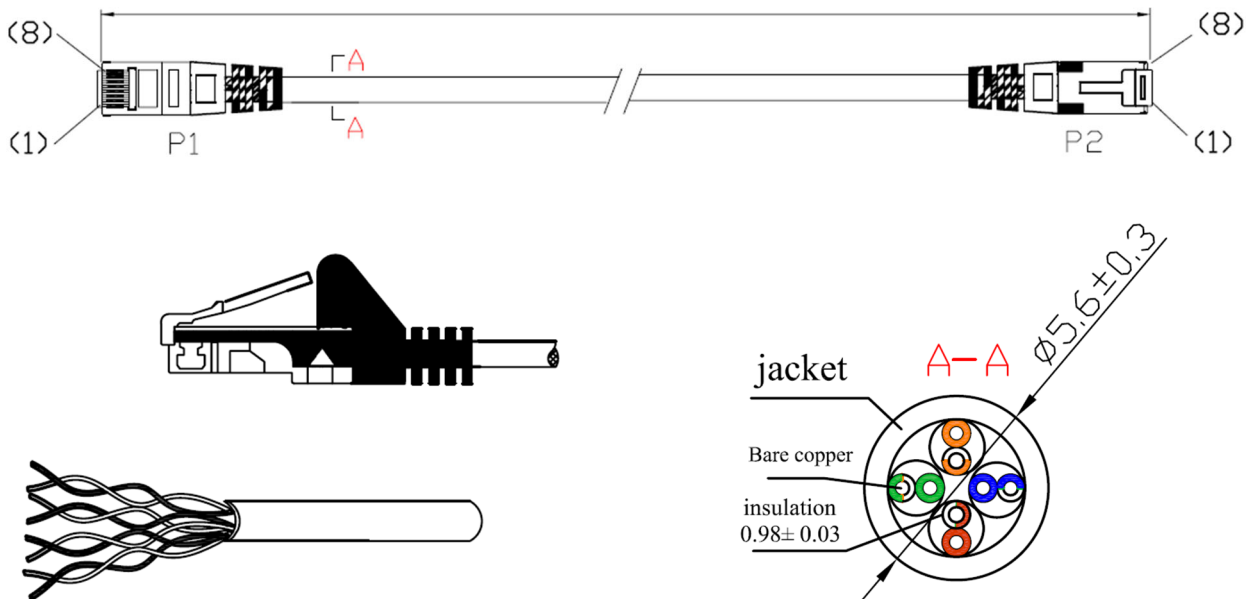

Network Cable, Cat6, UTP

100% Copper, RJ45 Male / RJ45 Male

Trusted connections for your network

Enjoy clear and secure data transmissions with the Intellinet Solutions Cat6 Patch Cable. This network cable enables a convenient and reliable connection from one network device, such as a switch, modem or router, to another or to the infrastructure at large through a patch panel, keystone jack or wall outlet. Designed to meet the appropriate TIA/EIA standards and suitable for use in 10/100/1000BASE-T networks, the Intellinet Solutions Cat6 Patch Cable also offers a rugged PVC sheath and molded strain relief to help reduce cable damage and assure full data transfer rates, error-free transmissions and maximum conductivity.

Network Cable, Cat6, UTP

100% Copper, RJ45 Male / RJ45 Male

Features:

- Gold-plated contacts for best connection
- PVC cable jacket for flexibility and durability
- Snag-free boots protect RJ45 connectors
- 100% copper wire
- Lifetime warranty
- Available in the following colors:
 - Black
 - Blue
 - Gray
 - Green
 - Orange
 - Pink
 - Purple
 - Red
 - Yellow
 - White
- Available in lengths from 0.5 ft. to 100 ft.

Specifications:

- UTP, unshielded twisted-pair
- Certified to 350 MHz
- EIA/TIA approved
- 4 pair
- RJ45 Connectors
- Conductors:
 - 24AWG, 7*0.20 +/- 0.015 mm
 - Insulation Color Coding: White/Orange, Orange, White/Green, Blue, White/Blue, Green, White/Brown, Brown
- Cable jacket:
 - Material: PVC
 - Colors: Black, Blue, Gray, Green, Orange, Pink, Purple, Red, Yellow, White
- Cable assembly:
 - Wiring: T568B pinout
 - Contact plug: RJ45 8P8C
- Length: +/- 3%

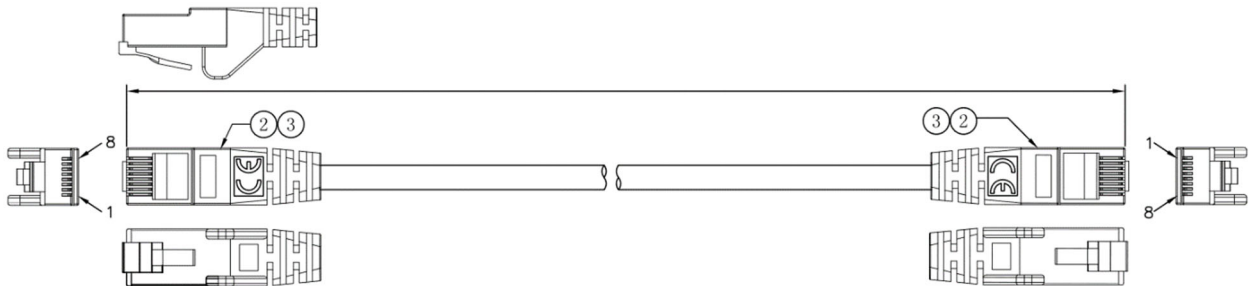

Slim Network Cable, Cat6, UTP

100% Copper, RJ45 Male / RJ45 Male, 30AWG

Strong-yet-slim connections to the network

The Intellinet Network Solutions Cat6 UTP Slim Network Patch Cable offers all the benefits of a standard Cat6 network cable but with a diameter that's considerably smaller in size. In dense cable installations, the cable creates a tidier and more-organized look, and its thinner size helps promote better air circulation to equipment in a network cabinet. The cable's reduced size also means it is more flexible, which makes it a perfect choice for installation around corners and in tight-space cable runs.

This slim network cable establishes a reliable and more manageable connection between any combination of network devices – including switches, modems, routers, and more – and network structures – such as patch panels, keystone jacks or wall outlets. Designed for use in Gigabit networks but backward compatible with earlier Ethernet versions, the Intellinet Network Solutions Cat6 UTP Slim Network Patch Cable offers a rugged PVC jacket and snag-free boots to ensure connections remain in place with full data transfer rates, error-free transmissions and maximum conductivity.

Slim Network Cable, Cat6, UTP

100% Copper, RJ45 Male / RJ45 Male, 30AWG

Features:

- Slim network patch cable
- Gold-plated contacts for best connection
- PVC cable jacket for flexibility and durability
- Snag-free boots protect RJ45 connectors
- 100% copper wire
- Lifetime warranty
- Available in the following colors:
 - Black
 - Blue
- Available in lengths from 1.5 ft. to 14 ft.

Specifications:

- UTP, unshielded twisted-pair
- Certified to 350 MHz
- EIA/TIA approved
- 4 pair
- RJ45 Connectors
- ISO / IEC 11801, EN 50288, EIA/TIA 568C.2
- Conductors:
 - 30AWG, (7/0.10BC)*4p (OD: 3.4 +/- 0.2 mm)
- Cable jacket:
 - Material: PVC
 - CM, RoHS & REACH compliant
 - Colors: Black, Blue
- Cable assembly:
 - Wiring: T568B pinout
 - Contact plug: RJ45 8P8C, Gold-plated (6U)
- Length: +/- 3%

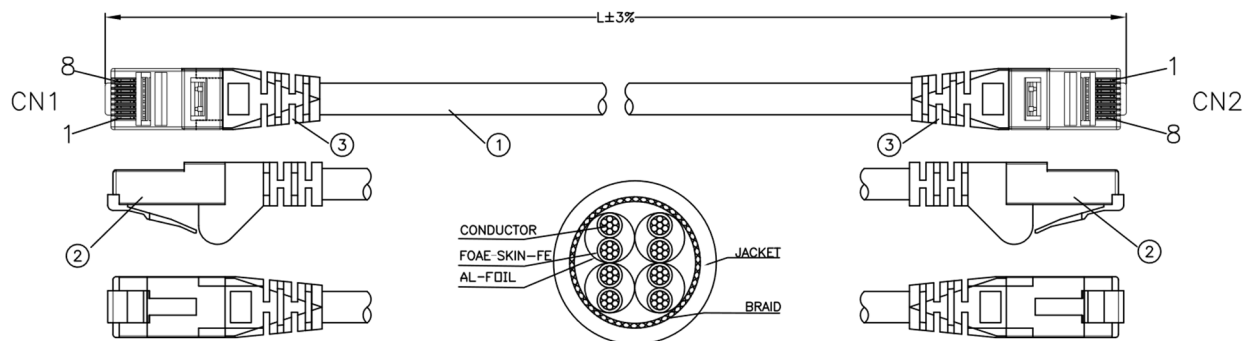

Network Cable, Cat6a, SFTP

100% Copper, RJ45 Male / RJ45 Male

Connect Easily to Your Network

Upgrade your network, enjoy clear transmissions and ensure your data stays secure with the Intellinet Network Solutions Cat6a Snag-free S/FTP Ethernet Patch Cables. Our copper patch cables meet the appropriate TIA/EIA and ISO standards and allow connections up to 330 ft. (100 m). They are suitable for use with 10GBase-T ports and equipment – such as switches, patch panels, modular plugs and other networking devices. The snag-free boot makes it easy to safely connect and disconnect the cable.

Network Cable, Cat6a, SFTP

100% Copper, RJ45 Male / RJ45 Male

Features:

- Augmented Category 6 (Cat6a)
- Screened fully-shielded twisted pair cable
- PVC cable jacket for flexibility and durability
- Snag-free boots protect RJ45 connectors
- 100% copper wire
- Lifetime warranty
- Available in the following colors:
 - Black
 - Blue
- Available in lengths from 1.5 ft. to 25 ft.

Specifications:

- S/FTP: Shielded with foiled twisted-pairs
- AWG26 Stranded
- Certified to 500 MHz
- EIA/TIA approved
- 4 pair
- RJ45 Connectors
- ISO/IEC 11801, EN 50288, EIA/TIA 568C.2
- Conductors:
 - S/FTP (26AWG *1PR+A)*4+B+PVC (OD: 5.8 +/- 0.3 mm)
- Cable jacket:
 - Material: PVC
 - Colors: Black, Blue
- Cable assembly:
 - Wiring: T568B pinout
 - Contact plug: RJ45 8P8C, Gold-plated (50U)
- Length: +/- 3%
