Quilt Assembly: Refer to the Quilt Diagram

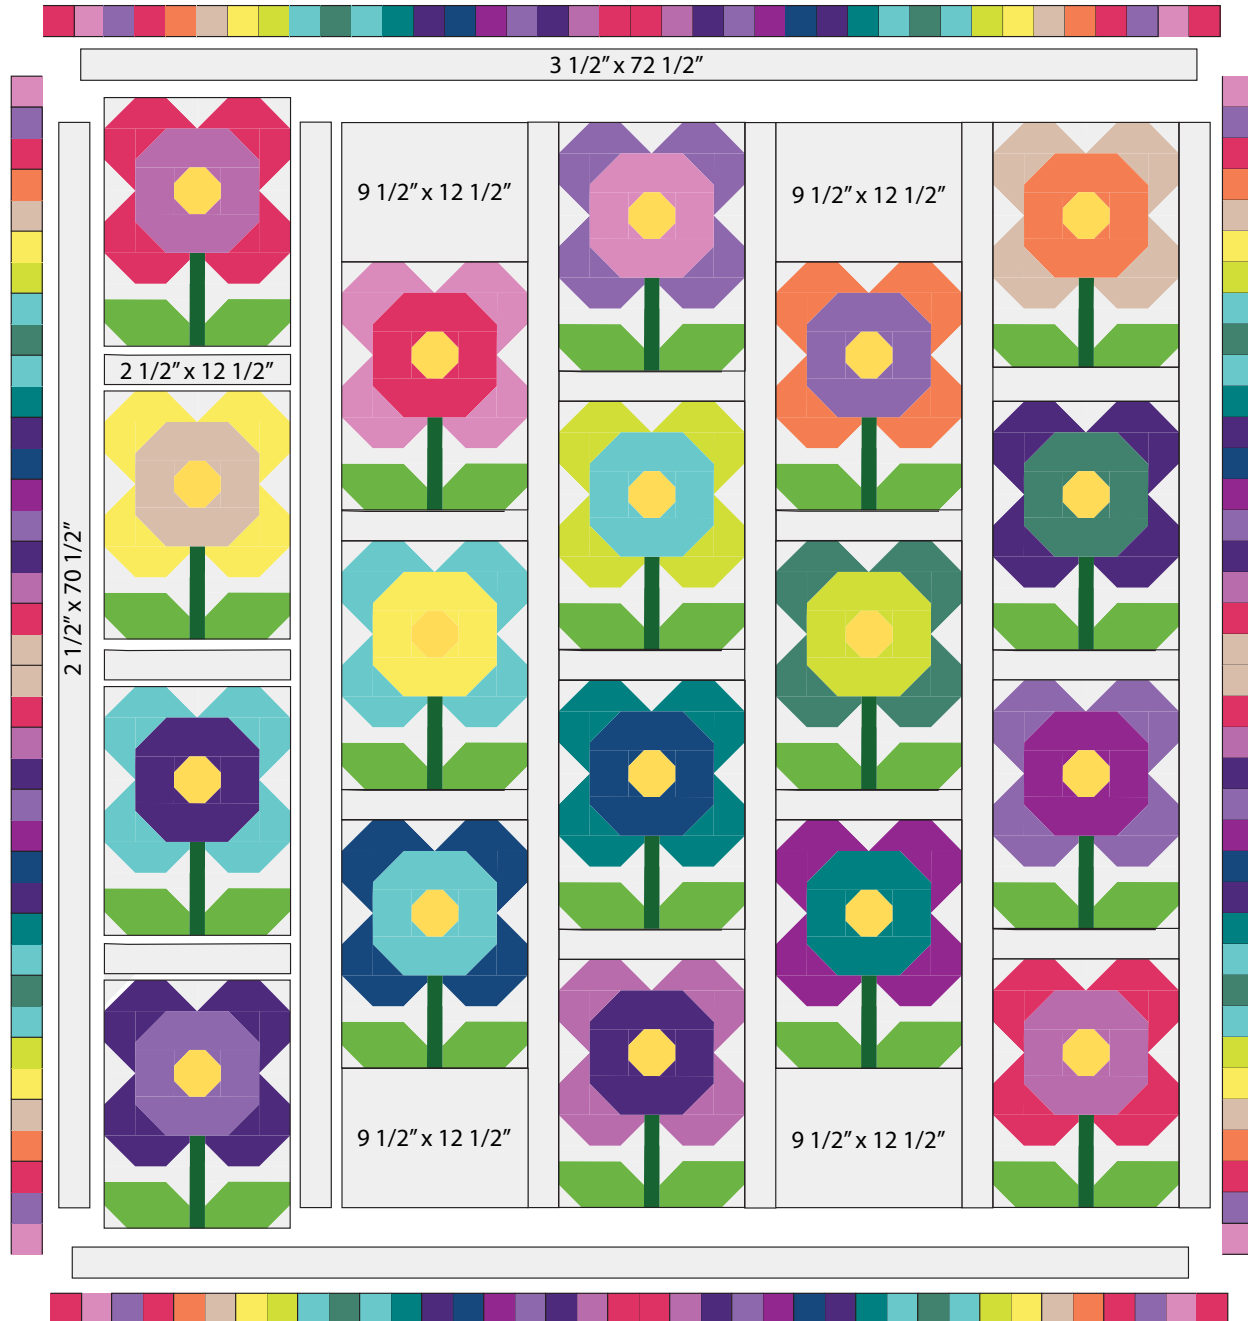

1. Sew the blocks together in columns as shown in the layout diagram, with one 2 1/2" x 12 1/2" R rectangle between each block and 9 1/2" x 12 1/2" R rectangle starting and ending the odd columns. Sew the columns together with

one 2 1/2" x 70 1/2" R sash between each column.
Sew the 3 1/2" x 72 1/2" R sash to the top/bottom of the quilt top.

- Sew the remaining 2 1/2" A-Q squares together into a pieced border in the order shown in the quilt image. Make two vertical borders 2 1/2" x 76 1/2" and two horizontal borders 2 1/2" x 76 1/2". Sew pieced vertical borders to the sides and the horizontal borders to the top/bottom of the quilt top.

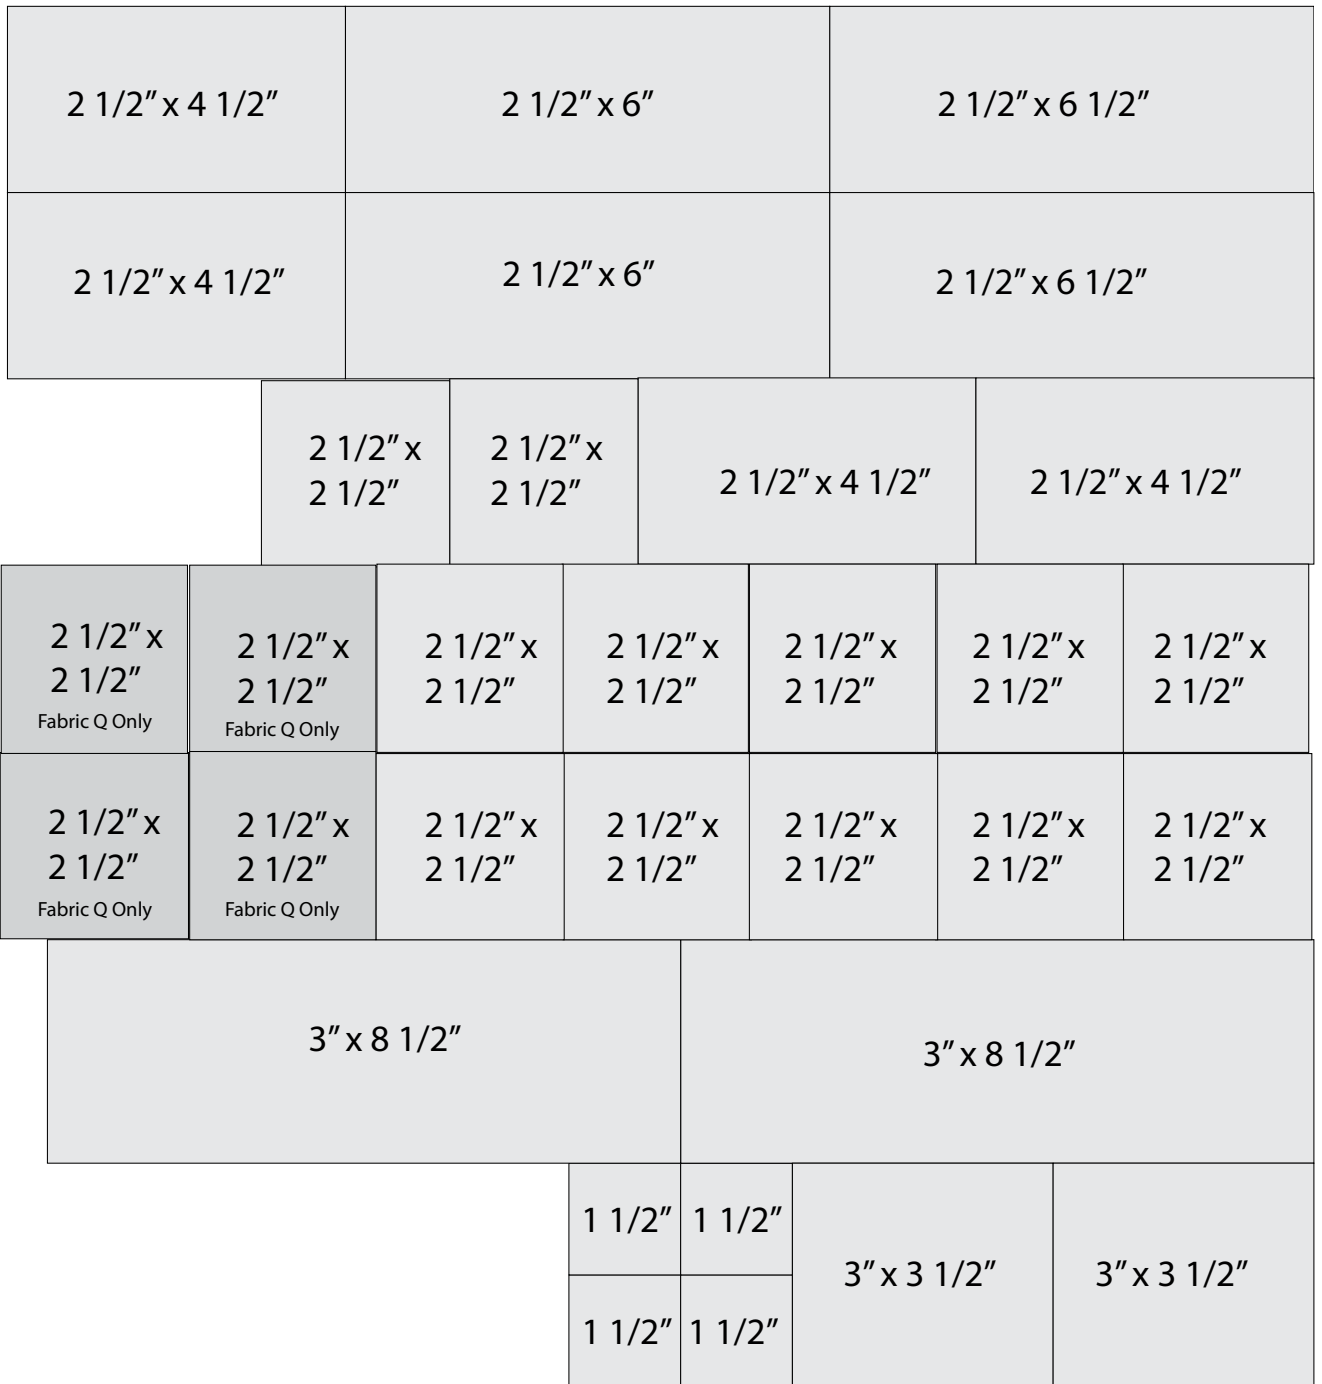

Finishing:

- Prepare backing using two lengths to measure 84" x 88". Press seam open.
- Layer quilt top, batting, and backing. Baste layers together.
- Quilt as desired.
- Trim layers even with quilt top squaring corners.
