Quilt size: approximately 74” x 84”

Featuring fabrics from
Terra collection by Norm Wyatt for P&B Textiles
NOTE: There are forty-two 10" blocks in the quilt – three each of squares for the pieced border.

You should be able to cut the FQ's listed above. Use the remainder you prefer. You can also cut the pieced border. You can also cut the

**TERR 247 YA & TERR 247 A**

**Block M:**

**Block A:**

**TERR 247 R & TERR 247 D**

**Block B:**

**TERR 247 M & TERR 247 GG**

**Block D:**

**TERR 247 LS & TERR 247 LS**

**Block L:**

**TERR 247 LB & TERR 247 BB**

**Block N:**

**TERR 247 YA & TERR 247 A**

Use the FQ cutting guide to cut each of the FQ's listed above. Use the remainder of each FQ to cut five 2 1/2" squares for the pieced border. You can also cut the border squares using the colors that you prefer. You should be able to cut six-eight 2 1/2" squares from the remainder of each FQ. You will need a total of one hundred thirty-eight squares for the pieced border.

**From TERR 247 K:**

1. From length of fabric (parallel to selvages), cut four 4 1/2" strips. Trim to two 4 1/2" x 74 1/2" strips and two 4 1/2" x 76 1/2" strips for outer border.
2. From remaining width of fabric, cut ten 2 1/2" strips (perpendicular to selvage). Subcut strips into eighty-four 2 1/2" squares for block corners.
3. Continue to cut remaining width of fabric into seventeen 2 1/2" strips for binding.

**From TERR 247 LK:**

1. Cut seven 1 1/2" strips. Sew strips together end to end with diagonal seams; press. From this pieced strip, cut two 1 1/2" x 62 1/2" strips and two 1 1/2" x 70 1/2" strips for inner border.

**From TERR 247 LS:**

1. Cut six 2 1/2" strips; subcut eighty-four 2 1/2" squares for block corners.

**Block Construction:**

**Using G fabric combination.**

1. Sew two 2 1/4" LP squares with two 2 1/4" P squares to create one four-patch unit (Figure 1). Press. Repeat to make three units.
2. Sew one 3 3/8" LP triangle to opposite sides of four-patch unit as shown. Press toward the triangles. Sew one 3 3/8" P triangle to remaining sides of the unit. Press toward the triangles (Figure 2). Repeat to make three units.
3. Sew one 4 3/8" LP triangle to opposite sides of the unit from step 2. Press toward the triangles. Sew one 4 3/8" P triangle to remaining sides of the unit (Figure 3). Press toward the triangles. Repeat to make three units.
4. Sew one 5 7/8" LP triangle to opposite sides of the unit from step 3. Press toward the triangles. Sew one 5 7/8" P triangle to remaining sides of the unit (Figure 4). Press toward the triangles. Repeat to make three units.
5. Draw a diagonal line on the back side of each 2 1/2" K and LS square. With right sides together, place one marked K square on the LP block corners. Sew on the line. Trim seam to 1/4" and press toward the resulting triangle.
Quilt Assembly:
Refer to Quilt Diagram.
1. Referring to quilt layout, place blocks into seven rows each containing six blocks. Feel free to adjust layout as you prefer. The most important thing is that the K and LS corner triangles meet to form "diamonds" in the completed quilt.
2. Sew blocks into rows and press seams in alternate directions from row to row. Sew rows together and press seams open or to one side.
3. Sew one 1 1/2" x 70 1/2" LK strip to both sides of the quilt. Press toward the strips. Sew one 1 1/2" x 62 1/2" strip to the top and bottom of the quilt. Press toward the strips.
5. Sew one 4 1/2" x 76 1/2" K strip to both sides of the quilt. Press toward the strips. Sew one 4 1/2" x 74 1/2" K strip to the top and bottom of the quilt. Press toward the strips.

Finishing:
1. Prepare backing by piecing two widths and a vertical seam to measure 82" x 92". Press seam open.
2. Layer backing, batting and quilt top. Quilt as desired.
3. Trim layers even with quilt top.
4. Sew seventeen 2 1/2" K binding strips together with diagonal seams. Press seams open. Press binding in half lengthwise, wrong sides together, to create double-fold binding. Sew binding to quilt using your favorite method.
5. Make a label and sew to the back of quilt.

Quilt Diagram
Fat Quarter Cutting Guide
Keep color sets together.

Square A = 2 1/4"  
Square B = 3 3/8". Cut each square diagonally in half.  
Square C = 4 3/8". Cut each square diagonally in half.  
Square D = 5 7/8". Cut each square diagonally in half.
