

Reynard Neutral detergent wipes.

Unbeatable equipment compatibility.

Effectively clean hard surfaces and equipment without drying, spotting or leaving sticky residue.

Convenient and disposable, Reynard Neutral Detergent Wipes enable fast and efficient cleaning. The non-tainting, low-foaming formula is ideal for cleaning most hard surfaces and equipment. The formula is free from alcohol and fragrances, for optimum equipment compatibility.

Reynard is reassurance.

Cleaning & disinfection | Personal care | Dry wipes
Clinical skin cleansing | Hand hygiene | PPE

Reynard
Health Supplies

Unparalleled equipment compatibility: our carefully designed formula has been approved by an extensive range of local and global medical equipment manufacturers.

Impregnated with a higher formula content to ensure the wipes are moist enough to effectively clean sealed surfaces without spotting or leaving residue. Perfect for cleaning hard surfaces and equipment prior to disinfection, with no additional surface drying required.

Safe for use on:

- Mattress covers
- Tables
- Benches
- Beds
- Cash registers
- Coffee machines
- Office phone
- Hard surfaces
- Medical equipment
- Vinyl
- Leather

A cost-effective cleaning solution with staff safety in mind.

Eliminating the need for cloths, spray bottle and chemicals eradicates the associated laundering and storage costs. With the extra-large wipes helping you to use less. Pre-impregnated wipes remove the need for staff to measure harmful chemicals. Our wipes are specially formulated to be tough on germs and gentle on hands.
