Nimble Wire Baskets & Wall Panels

## Nimble Wire Baskets & Wall Panels

Designed using fine mesh to ensure even small items can be stored, the Nimble wire baskets also include reinforced bars for extra strength, a clever lever system and a unique stacker that maximises space. The Nimble wire baskets come in a range of sizes and are perfect for use with wire shelving systems as well as wall mount applications in nickel chrome and stainless steel.

Wire Wall Panel

The wall panels have been designed to allow each unit to sit flush against each other so you can connect as many panels together as you like.

Divider

No more bent or hard to remove dividers. Ours have been designed to be easily added and removed to baskets with a simple lever system.

Stacker

Nimble's stackable baskets eliminate wasted space by storing baskets on top of each other, on a desk, workstation, or shelving.
