Protection Always On

Shower Seal

Cast & Bandage Protector

- Reusable
- Single patient use
- Latex free
- Made from heavy duty PVC
- Available in adult and child sizes

Keep your cast dry while you shower

Shower Seal is the next step in protective wear for casts and bandages. The easy-to-use protection solution allows you to continue your normal showering routine, while keeping your plaster cast, dressing or bandage dry. Made from heavy duty PVC, Shower Seal is a reusable, reliable and quality waterproof protection solution for both adults and children.

Fit Instructions

To determine the correct product length:

- Arm protector - measure from the tip of the finger to the top of the cast or bandage and add 2.5cm / 1".
- Leg protector - measure from the heel to the top of the cast or bandage and add 2.5cm / 1".
