

PRODUCT DATA SHEET

CDT-HS

HAZARD STRIPED DUCT TAPE – Black/Yellow

DESCRIPTION:

CDT-HS is a high quality grade polyethylene-coated cloth with a natural rubber based adhesive. Film is printed with a **black/yellow stripe** pattern to “**mark-off**” or differentiate areas or flag to “**caution**” for tripping hazards. Tape will conform well to irregular surfaces, and will not twist or curl during application. Excellent water and abrasion resistance. Tape is hand-tearable (cutting tools not required) and tape tears evenly across web.

APPLICATIONS:

- Used for floor marking or to cover wires, cords, to highlight “caution” for tripping hazards.
- Used like soft PVC aisle marking tape to differentiate areas of warehouses, stores, office buildings, etc.

PHYSICAL PROPERTIES:

Backing	Polyethylene-coated Cloth
Adhesive	Natural Rubber Resin
Total Thickness	11.8 mil
Peel Adhesion	29 oz/inch
Tensile Strength	35 lbs/inch
Temperature Range	-31°F up to 176°F

NOTE: The physical properties listed above are typical test results obtained from a series of laboratory tests and should not be used for the purpose of writing specifications. Before using this product, user shall determine the suitability of the product for his/her use; and user assumes all risks and liabilities in connection therewith. All test procedures used are in accordance with ASTM and PSTC methods.
