CELEBRATE YOUR SHADY ROOTS

The Soldier's Wife Sauvignon Blanc 2023

All we have is our place and our name. These wines tell the story of our family.

DESCRIPTION

Our first known male ancestor in Canada fought with Butler's Rangers during the American Rebellion and was both a bugle boy and a translator (being half Iroquois). Heroic as he was, his wife bore 14 children, which is why we honour her with this wine and not him.
