

SXSW. ↙ 2018

Dear Friends,

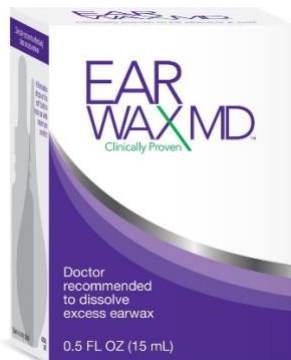

Hope you are well! Just a quick note to update you that [Elyse Dickerson](#), Founder of [Eosera™](#) - a Dallas-based biotechnology innovator founded by two veterans of the pharmaceutical industry, is in the running for the

SXSW 2018 Conference and we would love to have your vote! It takes just [one click](#).

In addition, perhaps you would like to hear her recent radio interview [here](#). It's pretty cool!!

If you could just click vote on the below link, we will have your vote for Elyse and be well on our way!
