Name of Contact: _____

Phone Number: _____

Email Address: _____

Address: _____

Business Name: _____

1. What are you hoping to accomplish with the installation of your LED Digital Display.

2. What kind of media is to be primarily displayed on your LED Digital Display?

3. Are any of the formats to be played on your LED Digital Display sent with HDCP (**High-bandwidth Digital Content Protection, eg. Foxtel**).

4. Will your LED Digital Display be positioned inside or outside? Will it be exposed to rain?

5. If your LED Digital Display is to be used outside, are you going to be using it during the day? Are there any abnormal environmental factors to take into account?

6. What size (height by width) would you like your LED Digital Display to be?

7. Whereabouts will your LED Digital Display be mounted? How high of the ground will it be set up? And what is the minimum and average distance your audience will be away from your LED Digital Display?

8. Will you have rear access to the LED Digital Display once it is installed? What surface are you planning to mount your LED Digital Display on?
