Note:

COBALT BLUE Australasia provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Product: **BLEACH 4%**

**Description: STABILISED CHLORINE BLEACH
4% AVAILABLE CHLORINE**

FEATURES

- **BLEACH 4%** is a stabilised 4% available chlorine solution used for bleaching in laundry applications and de-staining in the kitchen.
- **BLEACH 4%** is ideal for de-staining and sanitising cutting boards and washable surfaces in the kitchen.
- **BLEACH 4%** is ideal as a sanitiser and de-stainer for bathroom areas and toilet bowls.

APPLICATION

DIRECTIONS FOR USE

LAUNDRY:

Dilute 1 cup (250mls) of BLEACH with 1 litre of water before adding to the end of the fill cycle of a 5kg top load washing machine then wash as per normal

Please DO NOT pour **Bleach** directly onto clothes, make sure you dilute the liquid before adding the clothes. DO NOT use on Wool or silk. Avoid splashing on coloured clothes as it causes discolouration

Suitable for white bleachable fabric only.

Not recommended for coloured fabric, woollens, silk, leather, rayon or acetate fabric.

Do not pour directly onto clothes.

KITCHEN & BATHROOMS:

Use at a rate of ½ to 1 cup per litre of water depending on the degree of the soiling.

Rinse thoroughly with water after use. For stubborn stains in toilets & bathrooms use neat, allow to act for 5 -10 minutes then rinse with water.
